

Change of Major Status Petition  
**PRE-CRIMINAL JUSTICE STUDIES  
TO  
CRIMINAL JUSTICE STUDIES**

---

One cannot graduate with a Pre-CJS major. Therefore, be sure to petition the status change as soon as you have met the requirements.

***The only way a student s CJS major status will change is through this form, submitted by the student.***

One does not need to meet all Pre-CJS requirements before taking upper division CJS major classes.

---

To petition the status change, please do the following:

1. Submit a hard copy of the Pre-CJS requirement check sheet with your grades in those courses clearly marked.
  2. Submit a hard copy of your current DARS (degree audit) report.
  3. Submit this form, with your name & ID # clearly written.
  4. Staple all forms together with this form on top, and submit to Dr. Priest (chair). Major statuses will be changed and updated 1-2 times per semester, so the change may not show immediately.
