

INTERNSHIP LEARNING GOALS

Internships are most productive when students articulate and record their learning goals at the beginning of the work experience. First, determine what you hope to gain from the internship. Then, discuss with your supervisor to make sure the position will offer you the opportunity of achieving these goals. At mid-term, we will evaluate the progress of your goal achievements.

To be meaningful, goal statements must be:

- Specific
- Measurable
- Verifiable
- Achievable
- Agreed upon

List below five goals which you wish to achieve as a result of participating in this internship experience.

These learning goals and your job description should be the first two pages of your journal.
