

MARTIN REED, PH.D., RT(R)

PROGRAM DIRECTOR & ASSISTANT PROFESSOR, RADIOLOGIC AND IMAGING SCIENCES

Office: Health Professions Center, Room 2072
Phone: 812.464.1894
eMail: mreed@usi.edu

Education

- RT(R) Lake View Memorial Hospital, Danville, IL 1967
(ARRT)
- B.S. Southern Illinois University, Carbondale, IL 1969
Major: Health Education (School Health with Teaching Certification)
- M.S. Southern Illinois University, Carbondale, IL 1971
Major: Health Education (Community/School Options)
- Ph.D. Southern Illinois University, Carbondale, IL 1983
Major: Health Education
Dissertation Title: Study of the Relationship of Attitudes of College Students and Their Parents Toward Premarital Coitus, Marriage, and Divorce

Professional/Work Experience

Professional Experiences:

- Aug. 1, 1997-Present University of Southern Indiana
College of Nursing and Health Professions
Director/Assistant Professor, Radiologic Technology
- 1992-July 31, 1997 Gulf Coast Community College, Professor
Division of Health Science
Coordinator/Administrator, Radiography Program
- 1990-1992 Eastern Illinois University
Professor, Department of Health Studies
- 1989-1990 Eastern Illinois University
Professor, Department of Health Studies, Chairperson
- 1984-1989 Eastern Illinois University
Assistant Professor, Department of Health Studies, Acting Chairperson
Student Teacher Coordinator
- 1977-1982 Eastern Illinois University
Instructor, Department of Health Studies
- 1969-1975 Anna Junior High, Anna, IL
Junior High (Sixth, Seventh, and Eighth Grade Teacher)
- Spring Benton High School, Benton, IL
Student Teacher (High School)

Allied Health Experiences:

- 1993-1992 Twins Cities Hospital, Niceville, FL
Staff X-Ray Technologist (part-time)
- 1976-1992 Sara Bush Lincoln Health Center, Mattoon, IL
Staff X-Ray Technologist (part-time)
- 1975-1976 Charleston Memorial Hospital, Charleston, IL
Staff X-Ray Technologists (part-time)

MARTIN REED, PH.D., RT(R)

PROGRAM DIRECTOR & ASSISTANT PROFESSOR, RADIOLOGIC AND IMAGING SCIENCES

Courses Taught

- RADT 100 Orientation and Professional Ethics
- RADT 102 Radiographic Exposure I
- RADT 103 Radiographic Positioning I
- RADT 107 Radiographic Positioning II
- RADT 203 Radiographic Positioning III
- RADT 209 Radiographic Exposure II
- RADT 211 Radiobiology and Radiation Protection
- RADT 231 Imaging Equipment
- HP 478 School and Community Health Education

Research/Creative Activities

Present Research:

- Professionalism in the Workplace
- What Do Your Students Know About Radiation Safety?

Present Creative Activity:

- Development of Power Point Presentations for RADT 218 and RADT 203– Cranium Positioning

1997 Completed a Self Study for the Gulf Coast Community Colleges– JRCERT Report (mailed January 14, 1997).

1993 Developed the following correspondence/seminar courses approved by the Illinois Department of Nuclear Safety for radiographers, nuclear medicine technicians, and radiation therapy technicians: The Acute Abdomen Series: Gastrointestinal System: Genitourinary System; and Reproduction System

1992 Self Study for the Joint Review Committee-GCCC's Radiography Program

1991 Evaluation of Learning Assessment Plan (Test Items and Learner Objectives) for the Fulton County School Districts– Developed under the leadership of Dr. Martin Reed

1992 Developed the following correspondence/seminar courses approved by the Illinois Department of Nuclear Safety for radiographers, nuclear medicine technicians, and radiation therapy technicians: Cardiovascular Disease and Drug Therapy: The Acute Abdomen-Genitourinary System; The Acute Abdomen– The Reproductive System, and the Acute Abdomen– The Gastrointestinal System

1990 Carrollton's Comprehensive Drug Education Unity– K-9th Grade, Developed under the leadership of Dr. Martin Reed

Current Professional Affiliations & Activities

- American Registry of Radiologic Technologists
- American Society of Radiologic Technologists
- Indiana State of Radiologic Technologists
- Indiana Society of Radiologic Technologists, District VIII
- Licensure-Radiographer– Illinois Department of Nuclear Safety
- Licensure-General Radiographer-Indiana State Department of Health

MARTIN REED, PH.D., RT(R)

PROGRAM DIRECTOR & ASSISTANT PROFESSOR, RADIOLOGIC AND IMAGING SCIENCES

Presentations (1990-1999)

- 1999 Your Future in Imaging Sciences-Olney Central College, Olney, IL
- 1998 What Does a Radiographer Do?- Tell City High School, Tell City, IN
- 1998 What Does a Radiographer Do?- Grayville High School, Grayville, IL
- 1997 Joint Review Committee on Education in Radiologic Technology (JRCERT): New Standards for Accreditation- adopted January 1, 1997, Advisory Committee Meeting, Panama City, FL
- 1996 Chest Pathology
- 1995 Test Taking Tips
- 1994 The Acute Abdomen: The Gastrointestinal System
- 1993 Transaxial Anatomy for the CT/MRI Technologist, Emerald Coast society of Radiographers
- 1992 The Radiographers Role as an Educator- Radiographers; Workshop at Gulf Coast Society of Radiographers
- 1991 Stress Reduction in the Workplace: How Can Radiographers Cope, SBLHC
- 1990 Drug Education in the Public Schools- Carrollton Public Schools, Carrollton, IL

Community & University Service Activities

Illinois State Board of Education Committees/Activities:

- 1986-1992 Health Education Advisory Committee for the Illinois State Board of Education

University of Southern Indiana Committee/Activities:

- 1998-Present University Curriculum Committee (Replaced Janet Kilbane during Fall 1998 Semester): Currently an alternate member
- 1998-Present Presidential Scholar Advisory Committee

College of Nursing and Health Professions Committees/Activities:

- 1997-Present Instructional and Student Affairs
- 1997-Present Radiologic Technology Program Advisory Committee
