LeBeau, Patrick Russell. *Term Paper Resource Guide to American Indian History*. Westport, CT: Greenwood Press, 2009.

“Major help for American Indian history term papers has arrived to enrich and stimulate students in challenging and enjoyable ways. Students from high school age to undergraduate will be able to get a jump start on assignments with the hundreds of term paper projects and research information offered here in an easy-to-use format. Users can quickly choose from the 100 important events, spanning from the first Indian contact with European explorers in 1535 to the Native American Languages Act of 1990. Coverage includes Indian wars and treaties, acts and Supreme Court decisions, to founding of Indian newspapers and activist groups, and key cultural events. Each event entry begins with a brief summary to pique interest and then offers original and thought-provoking term paper ideas in both standard and alternative formats that often incorporate the latest in electronic media, such as iPod and iMovie. The best in primary and secondary sources for further research are then annotated, followed by vetted, stable Web site suggestions and multimedia resources, usually films, for further viewing and listening. Librarians and faculty will want to use this as well. With this book, the research experience is transformed and elevated. *Term Paper Resource Guide to American Indian History* is a superb source to motivate and educate students who have a wide range of interests and talents.
