Cuff, David J. *The Oxford Companion to Global Change*. New York: Oxford University Press, 2009.

*"The Oxford Companion to Global Change* is an up-to-date, comprehensive, interdisciplinary guide to the range of issues surrounding natural and human-induced changes in the Earth's environment. In one convenient volume, the *Companion* brings together current knowledge about the relations between technological, social, demographic, economic, and political factors as well as biological, chemical, and physical systems. It is an essential reference work for students, teachers, researchers, and other professionals seeking to understand any aspect of global change."
