The Praeger Handbook of Religion and Education in the United States. Westport, CT: Praeger Publishers, 2009. 2 vols.

"Ten Commandments displays, prayer at football games, Bible in the curriculum, vouchers for tuition at religious schools, Pledge of Allegiance, "wall of separation between church and state," among other hot button issues at the intersection of religion and education, generate a great deal of heat, but often light is sorely lacking. *The Praeger Handbook of Religion and Education in the United States* provides a unique source of light to educators, religious leaders, journalists, policy-makers, parents, and the general public as well as a useful resource for scholars interested in the impact of religion on the origins, development, and current shape of the American educational landscape."
