Chair: Stephen Woodall
Vice Chair: Carol Schmitt
Gary Burgdorf
Cindy Miller
Jeff Sickman
Tracy Sinn
Beth Thompson

Committee Purpose:
Formulate policy recommendations, review existing policies, and report recommendations for changes or implementation.

Items Considered:
1. Create a central location or web-page INDEX link for all University policies.
   Action taken: The temporary creation by Carol Schmitt of a web-page listing links and not specific policies. The location is www.usi.edu/compctr/carol/policies/index.Asp.

2. Inquire about the possible reduction of the METS’ Westside Connection Bus hours.
   Action taken: After deliberations with city, county, University officials, and a public hearing, the bus hours were reduced because of a significant increase in operating costs and lack of riders.

3. Enhancing the signage and identification of campus buildings.
   Action taken: Per University administrator, future signage for the University Boulevard and buildings will be of a similar design to the University’s entrance signage which is more informative.

Work in Progress
1. Will be continued into next year.

Respectfully submitted,

Carol Schmitt
Stephen Woodall
