**Call to order**  The meeting was called to order by President Bob Reid at 2:05 p.m.

**Minutes**  The minutes of the May 9, 2013 meeting were approved as corrected. (Second was removed from Annual Retirees Reception under unfinished business.)

**Treasurer’s Report**  Joyce Babilllis, treasurer, reported a balance of $2,019.52. The report was filed for audit.

**Unfinished Business**  Ed Jones reported that information from HR regarding Retiree insurance and retirement plans could be made available at least once each year for the Retiree newsletter. HR should be contacted for information before each newsletter is published. Ed Jones reported on request of clarification of policies for spousal use of the Fitness Center. Currently the fee is $30.00 for 10 visits. The Administrative Senate and several other groups also have requested a more accommodating fee for spouses. The concern is that the Fitness Center is funded by student fees and students therefore have preference to using equipment and space. There is concern that with present space, equipment and funding, the facility could be overcrowded at times leading to inadequate staffing and service and faster wear and tear on the facilities and equipment. A proposal for expanded services was taken to the Administrative Council, but it did not go forward. The availability of Pool passes for spouses is being explored.

John Deem updated the proposed Retirees Website and hopes to have it operating in 4-5 weeks. After discussion a Motion was made by Ed Jones, seconded by Chris Jines that a narrative history of the USI Retirees be included on the Web site. Motion carried. A motion was made by Helen Sands, that a new standardized membership form be prepared for the website. Included “in accordance with University Policy concerning partners to be incorporated into membership form.” Motion seconded and carried. Benefits of retirees will be included on the website. Instructions for navigating the web site will be self-explanatory on the site.
