Meet the Students of CNHP

If someone comes up to you and says “Smile for the camera”, you’ve been chosen to be introduced in the LCC newsletter! Just a brief note will be published about you, for example what your major is, what year of study you are, what city and state you are from along with your photograph. We want to acknowledge the bright and aspiring students in our college! Don’t be shy!

New CNHP Logo

Do you have an eye for design? The CNHP is in the process of developing a new logo and would like to hear your ideas. Any health related iconology, graphics, artwork should be submitted to the Dean. Your contributions may not be incorporated, however, it will definitely help in the design process!

Fall Honors Program Students

Congratulations to the CNHP students who have been accepted into the fall 2006 Honors Program. Students who have earned an SAT score of 1200 or ACT composite of 27 or higher are automatically accepted in the Honors Program. Upon completion of the program, a distinction of University Honors Scholar will be noted on their transcript and diploma. All interested students are encourage to apply to the program.

Kinzy Bailey  Gretchen Cantwell
Allyson Crawford  Brittany Edrington
Melissa Henke  Sarah Hurm
Alicia Ricklefs  Nicole Simpson

Students Receive Deaconess Hospital Scholarships

Congratulations to the CNHP students who have received 2006/2007 nursing scholarships from Deaconess Hospital!

Leigha Pettigrew  Jessica Hays
Stephanie Elpers  Amy Perry
Melissa Fox  Kelsie Conapinski

In Memory

Sadly, there has been the death of Dr. Gordon E. Kelley, professor emeritus of Health Professions, who passed away October 23. Dr. Kelly came to USI as director of the Division of Allied Health in 1971 and eventually became associate dean of the School of Nursing and Health Professions. He retired in 1996. In memory, the family has requested memorial contributions to the Kelly Health Professions Scholarship in the USI Foundation, or to the Deaconess/Ohio Valley Hospice at 600 Mary Street, Evansville, IN 47710.
CNHP Hosts College Advisory Committee Meetings/Dinner
On September 21, CNHP hosted a dinner for the Program Advisory committees. The evening started out with refreshments and tour of the new Rice Library, followed by the respective Program Advisory committee meetings and a dinner in Carter Hall.

Technology Updates in Dental Lab
Dental Hygiene students are using a new intraoral camera which is part of an extensive technology upgrade that occurred in the dental clinic during the summer. Each clinic operatory and radiology room has been equipped with a computer, monitor, and an intraoral camera docking station. Three intraoral cameras were also purchased as part of the upgrade. Computer software has been installed which will allow the clinic to reduce the use of paper forms for clinic client records.

Food & Nutrition Students Assist in S.O.U.L Empowerment Fitness and Nutrition Days
During the fall and spring semesters students in the Nutrition 376 and Nutrition 396 courses will be assisting in the S.O.U.L. Empowerment Fitness and Nutrition Days on Bellemeade Ave. On days when students in the Evansville Vanderburgh School Corporation do not have classes, children ages 2-18 can learn about and participate in fitness and nutrition activities. The four USI students shown in the first picture are doing a Food Guide Pyramid project with children from the EVSC focused on increasing fruit intake. The children tried mango, kiwi and pears. Older children worked on a project about portion sizes and younger children played nutrition bingo. S.O.U.L. Empowerment offers this program for $10 per family per day with support from the Welborn Baptist Foundation.
Student Fundraisers

The Radiologic Technology Class of 2008 is selling poinsettias and wreaths. 6.5” Poinsettias are only $14 each and come in four colors, marble, pink, red and white. 24” Fraser Fir wreaths with pinecones and bow are only $25.00 each. See Sharon Cahill, HP2068 or Jennifer Titzer, HP2125 for ordering. Orders must be received by November 13th. The poinsettias and wreaths will be delivered the first week of December.
