USI’s 50th Anniversary Art Alumni Exhibition
 McCutchan Art Center/Pace Galleries

To celebrate the 50th Anniversary of the University of Southern Indiana, we ask ALL art and art education alumni to create a postcard that is a work of art, to be sent the McCutchan Art Center/Pace Galleries for display September 13 - October 30, 2015 during the 50th anniversary celebration at USI.

You will all be invited back to the grand opening of the exhibit on Friday evening, September 18, and to participate in USI’s big celebration party, Through the Decades, the next night.

After the exhibit, the art postcards will become part of the USI Art Collection.

Guidelines:

Guideline for YOUR postcard:
The United States Postal Service defines a postcard as: rectangular, at least 3.5 inches high x 5 inches long and no more than 4.25 inches high x 6 inches long.

A large postcard, which requires regular first class letter postage, can be no more than 11.5 inches long by 6.125 inches high.

HOWEVER:

We would like to extend the definition of “postcard” to include bas-relief postcards and even three-dimensional (4 x 6 x 4 inches to 6 x 11.5 x 4 inches) postcards. The materials can be anything you choose: all types of paper, illustration board, photo paper, canvas, metal, wood, clay, or mixed media – whatever!

On the back of the postcard, please send some information about yourself — what you want us and the public to know about you as a USI grad! This information will be displayed on cards next to your art postcard in the exhibit.

If it can be mailed as a postcard, that would be great, but you may want to send it in a protective envelope or a package.
