PASSPORT TO RETIREMENT®

Preparing for retirement is one of the most important concerns we have today. Retirement costs are rising, the future of Social Security is uncertain, and many people have not accumulated the savings they will need to enjoy the retirement lifestyle they deserve. Join investment professionals for this introduction to the concepts and practices that will help make retirement possible and comfortable. You’ll learn how to get the most from guaranteed investments, tax-free income, and estate planning. For those already retired or planning to retire in the next 10 years, the seminar takes a conservative approach to wise money management in addition to identifying lifestyle issues facing mature Americans. The registration fee includes an in-depth workbook with valuable exercises and worksheets.

SOCIAL SECURITY PLANNING FOR BOOMERS:

After being told for years that Social Security is going broke, baby boomers are realizing that it will soon be their turn to collect. The decisions you make now can have a tremendous impact on the total amount of benefits you stand to receive over your lifetime. This informative seminar covers the basics of Social Security and reveals strategies for maximizing your benefits, including: factors to consider when deciding when to apply for benefits; when it makes sense to delay benefits—and when it does not; why you should always check your earnings record for accuracy; how to estimate your benefits; how to coordinate benefits with your spouse; how to minimize taxes on Social Security benefits; and how to coordinate Social Security with your other sources of retirement income.

COLLEGE ACHIEVEMENT PROGRAM
The University of Southern Indiana’s College Achievement Program (CAP) offers concurrent credit to outstanding junior and senior students in more than two dozen area high schools. Through CAP, students meet high school graduation requirements and earn college credits, all while in their high school classroom during the regular school day. CAP courses are taught by high school instructors who meet the same criteria as USI adjunct faculty, and more than 40 courses in English, history, biology, chemistry, economics, foreign language, health professions, journalism and math are available. Many of the CAP courses transfer easily utilizing the Indiana Core Transfer Library (CTL) and fulfill the Academic Honors Diploma. More than half of CAP courses are on the dual credit priority list and cost $25/credit hour. The College Achievement Program is one of only six concurrent enrollment programs in Indiana accredited by the National Alliance of Concurrent Enrollment Partnerships (NACEP) and one of 90+ accredited programs in the nation. Visit the CAP web site to learn more about the college courses offered in your area high school, USI.edu/cap or email cap@usi.edu for further information.
