

Roger F. Johnson, MD, FCCP

Dr. Johnson specializes in pulmonary critical care medicine and critical care medicine with St. Vincent in Evansville, Indiana. He has been affiliated with pulmonary care for 10 years. Dr. Johnson is on the forefront of using endobronchial ultrasound (EBUS), the standard of care for staging lung cancer. Dr. Johnson graduated from the Northwestern University Feinberg School of Medicine in 1999. He is board certified by the American Board of Internal Medicine in pulmonary and critical care.

David A. Hormuth, MD, MBA

Dr. Hormuth is the chairman of the cardiothoracic surgery section at St. Vincent in Evansville, Indiana. He is a cardiothoracic and thoracic transplant surgeon with over 27 years of experience. Dr. Hormuth served as the surgical director of heart and lung transplantation at Methodist Hospital of Indiana (Now IU Methodist) for five years, as well as the chairman of the transplant policy committee overseeing all transplants at Clarian Health Partners, now IU Health. He has been the course director for multiple symposia on transplantation both nationally and internationally. Dr. Hormuth is an active member and co-director of the master's course in lung transplantation for the International Heart and Lung Transplant Society.

Michelle Schymik, PharmD, BCPS

Dr. Schymik is a clinical lead pharmacist with Deaconess Hospital in Evansville, Indiana. She oversees the inpatient pharmacy clinical program and works as a clinical staff pharmacist in the hospital. Within her role at Deaconess, she assists with improving safe medication delivery, clinical services and program development in an effort to assure optimal patient outcomes. Dr. Schymik graduated from Butler University with a Doctor of Pharmacy Degree, is board certified as a pharmacotherapy specialist and maintains several pharmacy certifications.

Continuing Education Accreditation

Attendees will receive up to 3.5 contact hours with attendance and submission of evaluation form.

Application has been made for Continuing Respiratory Care Education (CRCE) credit by the American Association for Respiratory Care, 9425, N. MacArthur Blvd, Suite 100, Irving TX 75063.

University of Southern Indiana College of Nursing and Health Professions is accredited as a provider of continuing nursing education by the American Nurses Credentialing Center's Commission on Accreditation.

University of Southern Indiana is an approved provider of continuing education for social workers, marriage and family therapists, psychologists and other professionals licensed in the state of Indiana. Social workers in other states should check for approval on a program-by-program basis.

University of Southern Indiana is approved by the Indiana State Board of Health Facility Administrators as a sponsor of continuing education programs for health facility administrators (License #98000033A).

USI.edu/health

University of Southern Indiana is an affirmative action/equal employment opportunity institution.

Program Description

This symposium will provide an overview of innovations in pulmonary disease diagnosis and management including pulmonary fibrosis (PF), lung cancer, lung transplantation and pharmaceutical considerations. The expected learner outcome of the program is for the attendee to be able to implement current strategies in the effective care and management of persons with respiratory illness.

Target audience

Respiratory therapists, nurses, nurse practitioners, clinical nurse specialists, social workers, physicians, pharmacists, students and anyone in the community impacted by pulmonary fibrosis and other lung disorders

Conference Information

Cost: \$60 for respiratory therapists, nurses, social workers, physicians, pharmacists and other licensed persons; \$10 for students and community participants. Breakfast included.

Conference Materials: Two days before the conference, registrants will be emailed a link to a website where the conference materials, including handouts, agenda and evaluation may be accessed and printed. No hard copy of handouts will be provided. Please provide a correct, individual email address when registering.

Certificate of Completion: Within two weeks post conference, attendees must complete the program evaluation and attest to the sessions attended in order to receive a certificate of completion. The electronic evaluation is included in the conference material which is emailed two days before the conference.

Refund Policy: Registration fees are refundable, less a \$15 service charge, until September 20. No refunds will be made after that date.

Location of Conference: The conference will be held in the University Center at the University of Southern Indiana, Evansville, Indiana. USI is located on Highway 62, two miles west of Evansville.

Hotel Accommodations: Overnight accommodations are available at the Fairfield Inn West by calling 812-429-0900 or at the Holiday Inn Express at 812-421-9773. Mention you are attending a conference at USI to receive the USI rate.

Disability Accommodations: If disability-related accommodations are required, contact Outreach and Engagement at 812-464-1989 or email at Outreach@usi.edu. It is recommended that you make this request at the earliest possible date to ensure that the requested accommodations are in place when needed.
