### Classes for Fall 2012 start August 20, 2012

#### Degree Audit

MyUSI provides students access to view their degree audit. This degree audit outlines a student's specific degree requirements and tracks their progress through their academic program, as well as aiding faculty with more efficient advising. USI credits as well as transfer credits are included, and the audit indicates whether categories are satisfied or not. The degree audit can be accessed through myUSI using Self Service/ Student/ Student Records/ Degree Evaluation.
