

University of Southern Indiana Photo Usage Guidelines for CD's

The images on this CD have been taken by photographers who are employed by the University of Southern Indiana in the News and Information Office. Photography Services has given permission for the images on this CD to be printed for their personal use.

USI Photo Services gives students, athletes, faculty and families the opportunity to print photos from events and individual portraits. The images on this CD will be used for building portfolios, preparing resumes in job searches, and photos for keepsakes.

Images are for:
