- Residence Hall residents – **Newman Hall**
- O'Daniel North and O'Daniel South residents – **Housing and Residence Life Center**
- McDonald East and McDonald West residents – **Residence Life Community Center**

Where am I Living and Who is My Roommate?

You should have received a postcard in mid-July letting you know how to access your room assignment and roommate information online.

We strongly encourage you to contact your roommates and ask questions that will help you get to know them better, such as:

- When are they planning on arriving at USI?
- What are they bringing?
- What kind of hobbies or interests do they have?

This will help to make your experiences at the beginning of the year very positive!

If you feel there has been an error in your roommate info, contact our office at 812/468-2000. Roommate changes will not occur until after the second week of classes, but we are always here to assist you and answer any questions you may have!

What if I've Been Approved to Arrive Early?

If pre-approved for an early arrival, you will check in at the Housing and Residence Life Center between 9 a.m. and 5 p.m. on August 24, 25, or 26.

All early requests should have been received in our office by 4:30 p.m. on July 31, 2009.

Early arrivals will not be permitted prior to August 24, 2009. Students attempting to move in early without approval will be denied and asked to find alternate housing until their official move-in date.

Students approved for early move-in will be charged a fee of \$50. Meal plans will not be operational prior to the published check-in date.

Those without Housing and Residence Life approval will not be allowed early check-in.

Where Can I Park?

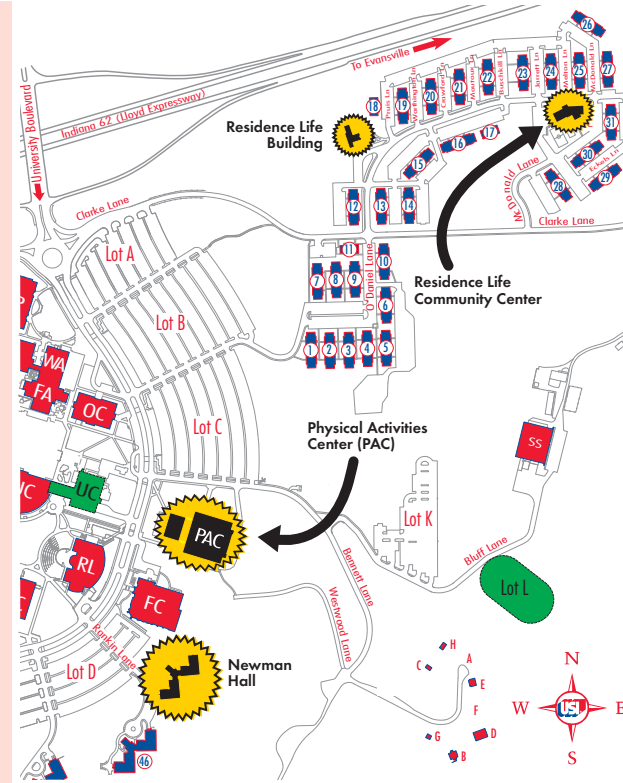

Parking is always a big question! To help our USI family understand about parking, the Department of Safety and Security would like to provide you with some important information:

- All housing residents are required to register their vehicle. **You can register your vehicle online NOW at <https://www.usi.edu/security/vehiclereg/>.**
- Tickets will be issued for illegal parking and illegal use of assigned parking spots (handicapped spots, authorized University vehicle spots, security vehicle spots, etc.).
- During Welcome Week check-in, students may obtain their parking tags. Students must present their driver's license or their Eagle Access Card to obtain an official University parking permit.
- After Welcome Week check-in, and during the first week of school, students may report to the Housing and Residence Life Center during check-in dates, bring their driver's licenses and vehicle registrations, and pick up their parking permits.
- Students living in University Housing may not drive their vehicles to campus between 6 a.m. and 3 p.m. on days that classes are in session. A campus shuttle is available to transport students to the main campus.

Contact the Department of Safety and Security at 812/465-1845 with any questions.
