

Office of Student Conduct and Resolution Services

Purpose Statement

Mediation

An attempt to effect a peaceful settlement between two or more individuals. Mediation is a fluid dialogue, where matters are solved through controlled collaboration.

Core Competencies

Connection

The act of connecting two or more parts together

Civility

Where courtesy and politeness exchanged

Cooperation

An act or instance of working together peacefully

Collaboration

To actively work together towards a common goal

Communication

Imparting the exchange of thoughts through talking and listening

Compromise

The process of finding a common ground

Vision Statement

Through the process of mediation, trained mediators will strive to seek *connection* and *civility* among participants through the efforts of *cooperation*, *collaboration* and *communication* in order to find a *compromising* solution.
