2008 Women's Soccer Media Guide

Location

The University of Southern Indiana was founded on the banks of the Ohio River in Evansville in 1965. USI is a comfortable drive from the major metropolitan centers of Indianapolis, Cincinnati, Louisville, Nashville, and St. Louis.

The Campus

The Nursing and Health Professions Center, Science and Wright Administration Building, the Education Center, and the Orr Center are located on the north side of campus. Rice Library, the University Center, the Liberal Arts Center, the Technology Center, and the Business and Engineering Center, now under construction, form the quadrangle in the center of campus. The Physical Activities Center and the Recreation and Fitness Center, which is getting a substantial addition, are located east of the University Boulevard, a major thoroughfare through campus. Apartment buildings and residence halls are home to 3,000 students who live on campus.

Academic Life

The University enrolls 9,939 students and offers undergraduate majors in 70 areas of study. An ever-increasing number of post-graduate programs also are available to students who wish to continue their education. Opportunities are available for service learning, study abroad, and internships.

Campus Life

Outside the classroom, students have opportunities to participate in more than 90 organizations offering co-curricular and extra-curricular activities. Special interest clubs, student government, sororities and fraternities, music and drama groups, and other organizations enable the students to enjoy and contribute to campus life.

Residence Life

The more than 3,000 students living on campus have their choice of two types of housing. Students can live in standard apartments or in suite-style housing in residence halls which have amenities such as Internet connections, wireless Internet, and cable television. Computer labs, laundromats, a convenience store, outdoor and indoor recreation areas, and student lounges contribute to an efficient living environment that has proven to be overwhelmingly popular to students. Meal plans also are available at the University Center, which is located in the center of campus.

Financial Assistance

USI provides families with an affordable way to higher education. While some families find that they can handle the cost of a USI education without financial assistance, others qualify for need-based financial packages, including grants, loans, and on-campus jobs.

 Eagle Athletics

The University of Southern Indiana women's soccer team needs to start the 2008 season on the right track to propel it into the post season.

After playing well in England during an exhibition schedule, the Screaming Eagles struggled to begin the 2007 campaign. USI started the year 0-4-1, but bounced back to go 7-6 in the final 13 matches and just missed advancing to the GLVC Tournament.

Beginning her sixth season, Head Coach **Krissy Engelbrecht** hopes 13 returning players will mesh with 10 newcomers early this season in an effort to thrust the squad back into GLVC title contention.

FORWARDS

In the offensive half of the field, the Eagles are led by junior **Julie Vaughan**. Vaughan was USI's second leading scorer in 2007, posting 10 points on four goals and two assists. Her four goals and two assists were tied for second on the team in each category.

Vaughan's first of goal of the year was the game-winner in the victory over the University of Indianapolis.

Returning from last fall to join Vaughan are juniors **Rachel Caksackkar**, **Katie Teagarden**, and sophomore **Kaycie Hibdon**. Teagarden had a pair of assists, including the pass on the game-winning goal over the University of North Alabama. Caksackkar had one assist last season, helping out on the game-winning goal over Kentucky Wesleyan College.

The Eagles have added three new players in freshmen **Meagan Kempf**, **Lavonia Lewis**, and **Nancy Newcomer** to increase the depth up front.

Kempf is a four-time All-State performer at Bosse High School (Evansville, Indiana), finishing her career as the all-time leading scorer with 284 career points on 122 goals and 40 assists in four years. She also was a four-time All-City and All-District performer, while also being honored three times as an All-SIAC player.

Lewis was an honorable mention All-State player at Harrison High School (Evansville, Indiana), while earning three first team All-City and All-Conference honors. She also was the HHS top scorer the last three seasons for Harrison.

Newcomer comes to the Eagles from Holy Name High School (Parma Heights, Ohio). She led HNHS to the Division II State Cup in 2006 and the Division I District finals in 2007. The 2005 first team All-Cleveland performer also had 165 career points on 55 goals and 55 assists.

MIDFIELDERS

The strength of the USI squad in 2008 will be its experienced midfield, led by junior **Shauni Boudia**. Boudia was the Eagles top scorer a year ago, recording 13 points on four goals and five assists. She also had one game-winning goal and distributed the game-winning assist in three of USI's victories.

In addition to Boudia, the Eagles return four seniors – **Jessica Snyder**, **Cara Jansen**, **Lauren Pineda**, and **Serena Lowenthal** – and one junior – **Kara Georgeff**.

Snyder recorded a career-best five points as a junior on two goals and one assist, while Georgeff had four points on a pair of goals before being sidelined by a knee injury.

Freshmen **Molly Pearson** and **Martha Shetler** are new to the USI midfield in 2008.

Shauni Boudia

Pearson comes to USI from Alton High School (Alton, Illinois) where she was a letterwinner in soccer and cross country. She was named second team All-Southwestern Conference in 2007 after finishing third on the team in scoring with 28 points on six goals and four assists.

Shetler, whose sister Alison played for USI between 2002 and 2005, was a four-year starter at Memorial High School (Evansville, Indiana) and was named the team captain as a junior and senior. She led the team in scoring as a sophomore and was the second leading scorer as a junior. Shelter missed her senior season due to a knee injury.

DEFENSE

The USI defense is young with one junior, two sophomores, and four freshmen.

Alison Conquest

Leading the way is sweeper **Alison Conquest**. Conquest made the switch from forward to defender last season and became one of USI's stronger backs, starting 17 of the 18 matches.

Rejoining Conquest in the USI backfield are **Jenna Keusch** and **Ashleigh Lemp**. Keusch saw action as a defender in two matches, while Lemp played in six matches between the posts as a goalkeeper.

To increase the defensive depth, the Eagles have added a pair of goalkeepers -- **Stephanie Bodamer** and **Chelsea Connell** -- and three defenders -- **Carrie Grochowski**, **Samantha Smith**, and **Allison Bevenue**.

Bodamer joins the Eagles after four seasons at Highland High School (Highland, Indiana) where she was second team All-District and All-Area and first team All-Conference. She also was first team All-District, All-Area, and All-Conference at HHS as a junior.

Connell comes to USI after being a four-year starter at Alton High School (Alton, Illinois) where she was the 2007 All-Alton Telegraph goalkeeper for large high schools.

Grochowski lettered in soccer at Lockport Township High School (Lockport, Illinois), where she was All-Conference the last three seasons. She also earned honorable mention All-Sectional honors in 2007 and 2008.

Smith comes to USI after lettering in three sports at Carbondale Community High School (Carbondale, Illinois). She recorded 45 career points at CCHS on 19 goals and seven assists, including a CCHS career-best 33 points as

a freshman on 15 goals and three assists. Smith also was a three-time All-Conference and two-time All-Sectional award winner.

Bevenue is an all-around athlete, participating in four sports at Belleville High School (Belleville, Illinois). The outside back earned All-Area and All-Conference honors in 2006, 2007, and 2008 at BHS. She also had 25 points as a senior on seven goals, including three game-winners, and 11 assists.

Evansville, Indiana

... A CITY with urban attractions and hometown friendliness

Situated on the banks of the Ohio River, Evansville is a mid-sized city that welcomes USI Students and offers them plenty of things to do. Roberts Stadium and the Victory Theatre attract students to concerts by entertainers like Nelly, Aerosmith, Kenny Chesney, Kid Rock, and Josh Goban. Traveling Broadway shows and feature performances come to The Centre. For a relaxing walk or invigorating run, the downtown riverfront features a greenway with a wonderful view of the changing river traffic and the Evansville skyline. Movie theatres (including an IMAX) and Swonder Ice Arena draw students together for fun, activity, and fellowship. Evansville's coffee shops, restaurants, and shopping areas also are places where like to spend time. Less than three miles from campus, shopping centers and places to eat are plentiful on both sides of the Lloyd Expressway. The Eastland Mall area on Green River Road and the commercial centers off Burkhardt Road offer more restaurants and terrific shopping. USI's suburban location in the rolling hills of western Vanderburgh County is just minutes away from all that Evansville has to offer.
