Enemies of Happiness is a film about personal courage  
and conviction. It centers on Malalai Joya, who became  
one of Afghanistan's most famous and infamous  
women in 2003 when she challenged the power of  
warlords in the country's new government. Joya  
became a controversial voice for a nation ruined by  
war, still ruled by fear, but desperate for a change for  
the better.

February 18 Japanese Puppetry Performance 6pm  
Carter Hall  
International Programs and Services, THREADS  
Committee.
