The University of Southern Indiana Board of Trustees met in regular session on Saturday, May 7, 2011, in the Romain Board Room in the Business and Engineering Center on campus. Present were Chair John M. Dunn and Trustees Ira G. Boots, W. Harold Calloway, Jeffrey L. Knight, Lauren K. Raikes ’11, Ronald D. Romain ’73, and Steven J. Schenck ’72. Trustees Amy MacDonell and Ted C. Ziemer Jr. were absent. Also in attendance were President Linda L. M. Bennett; Provost Ronald S. Rochon; Vice President for Finance and Administration Mark Rozewski; Vice President for Government and University Relations Cynthia S. Brinker; Faculty Senate Chair Adrian P. Gentle; and Student Government Association President Hope Fussner.

SECTION I – GENERAL AND ACADEMIC MATTERS

A. APPROVAL OF MINUTES OF MARCH 3, 2011, MEETING

The minutes of the March 3, 2011, meeting of the Board of Trustees were approved.

B. ESTABLISHMENT OF NEXT MEETING DATE, TIME, LOCATION

Mr. Dunn called on Vice President Brinker, who reported the next meeting of the Board of Trustees is scheduled for Thursday, July 14, 2011, in New Harmony, Indiana, when the Board will meet for a retreat and its annual and regular meetings.

C. PRESIDENT’S REPORT

President Bennett began her report by commenting on the meeting location in the Romain Board Room in the Business and Engineering Center. The room was named to honor Trustee Ron Romain ’73 and his wife Connie Romain ’72 for their leadership gift to fund programmatic support for the state-of-the-art Business and Engineering Center.

She asked Vice President Brinker to share the schedule of activities for Commencement weekend. Ms. Brinker noted the 2011 Graduation Celebration will be held in the University Center at 6 p.m. on May 7. The Commencement Luncheon begins at 11:30 a.m. on Sunday, May 8, in Carter Hall. The platform party, which includes the Trustees, will meet at Roberts Stadium at 2 p.m. to prepare for the Commencement ceremony at 3 p.m.

President Bennett announced the Indiana General Assembly’s approval to begin construction of the Teaching Theatre in summer 2012. She referred the Trustees to posters displaying the architects’ renderings of the building design.

In accordance with Indiana law, the University is required to hold a public hearing before adopting proposed tuition and fee rates for the next two-year period, and is required to give public notice of the hearing at least ten days prior to the hearing. The 2011-2013 hearing to discuss tuition and fees will be held on Monday, May 23, 2011, at 2 p.m. in Carter Hall. President Bennett invited the trustees to participate. She noted current economic concerns have led to recommendations from legislators and the Commission for Higher Education for universities to be careful in terms of tuition increases.

President Bennett reported that Honors Week at USI is an annual opportunity to celebrate the accomplishments of students and faculty members. Since 1990, past and current members of the Board of Trustees have contributed to fund an annual award and build a permanent endowment in the USI Foundation for the Trustees Distinguished Merit Award. The Merit Award is selected by the Faculty Senate Student Affairs
Committee and is the most prestigious award presented during Honors Week. It includes a $1,000 stipend made possible by current and former USI Trustees and recognizes outstanding achievement in the student’s major and in the core curriculum. President Bennett introduced the 2011 recipient, Sunny Huang ’11. Ms. Huang thanked the Trustees for the honor of receiving the Trustees Distinguished Merit Award. She shared her experiences as a USI student and reviewed her many opportunities for research experience, including summer research at Mayo Clinic. She noted the emphasis on liberal arts at USI gave her opportunities to enroll in exciting classes outside the sciences. Following graduation, she will work for the National Institutes of Health in Bethesda, Maryland. Chairman Dunn congratulated Ms. Huang and thanked the current and former Trustees who contribute to the fund.

President Bennett reported the 2011 recipient of the Integra Bank Distinguished Professor Award is Dr. Barbara A. Davis, professor of Nursing. Dr. Davis will be recognized during the Spring Commencement exercises and will address the graduates at the Fall Commencement. Dr. Bennett noted the recipient of the 2011 President’s Medal, the highest honor accorded a graduating senior, will be Steven Geiss. A University Honors scholar, Mr. Geiss will graduate summa cum laude with a Bachelor of Science degree in biology. President Bennett thanked the trustees for their participation in Commencement activities as the University celebrates with the graduates and honorees.

Dr. Bennett announced that Professor Adrian Gentle will continue to serve as chair of Faculty Senate next fall, and asked him for a report. Dr. Gentle reported that since his last report to the Board, the Senate received reports from eight standing committees and supported new initiatives, including:

- A change in the Bylaws of the Faculty Constitution in response to the recent repositioning of the departments of Teacher Education, Physical Education, and Social Work. A broad and inclusive review of faculty governance will be undertaken in fall 2011.
- Recommendation of an updated statement on Academic Freedom which extends the policy to include work in shared governance along with teaching and research activities.
- The successful election of at-large members of Senate and its standing committees.
- Endorsements of Administrative Senate’s proposal to simplify reporting of sick leave for all University employees, the Advising Council’s new handbook language regarding advising, and a proposal to create a new category of clinical-track faculty in appropriate disciplines.

Dr. Bennett asked Provost Rochon to introduce a report about student activities. He introduced Hope Fussner, president of the Student Government Association (SGA) and Gabriel Grady, president of the Activities Programming Board (APB), who reported how their respective organizations improved the quality of student life at USI in 2010-2011. Ms. Fussner reported on SGA programs including Town Hall meetings, RedZone support of University athletics, National Collegiate Alcohol Awareness Week, and philanthropic projects. She reviewed grants in excess of $35,000 awarded by SGA to student organizations for travel and other needs. Mr. Grady shared the activities of APB in 2010-2011, including speakers, performances by entertainers, a film series, and Homecoming events. Provost Rochon invited Trustee Lauren Raikes ’11 to share her perspectives on life as a USI student. Ms. Raikes told the Trustees the relationships she built in her four years at USI have defined her university experience. She reviewed her relationships with peers, staff, faculty, administrators, and her colleagues on the Board of Trustees. She thanked the Trustees for their friendship, guidance, and commitment. Ms. Raikes concluded by telling the Trustees she is proud to become a part of the family of more than 30,000 USI alumni.

President Bennett thanked Ms. Fussner, outgoing president of SGA, for her leadership in 2010-2011. She announced the newly-elected SGA President, Jordan Whitlege, will join the Board at its next meeting in July.

Before requesting a report about recent USI graduates, Dr. Bennett commented on the importance and value of the annual survey compiled by the Office of Career Services and Placement. Continued emphasis on accountability, in Indiana and nationally, requires USI to carefully document information about its graduates. She noted USI does an excellent job of tracking its graduates and the result is a powerful part of the USI story. President Bennett called on Provost Rochon, who introduced Philip Parker, director of the Office of Career Services and Placement, to review results of the survey completed by 2010 graduates. Mr. Parker reported the survey was a six-month follow-up sent to graduates from fall 2009 through summer 2010, to which 51.4 percent responded. He reported that among all employed graduates, 90 percent are working in their field or in a field in which they express satisfaction. He noted 88 percent of 2010 graduates remain in the tri-state and Indiana. He discussed average salaries of recent graduates and provided information about degree recipients who are enrolled in continuing higher education. Mr. Parker described Eagle Career Launch, an integrated job search
system, and Careershift, software that provides students and alumni with a wealth of information about potential employers as they search for positions. He closed with the following conclusions drawn from the survey:

- Graduates continue to find positions in their career fields;
- Retention of graduates in Indiana remains high;
- USI graduates continue to be successful in their pursuit of continued education; and
- Career services technology is allowing USI to leverage the services it provides both students and alumni.

Dr. Bennett referred the Trustees to a data dashboard prepared by the Office of Planning, Research, and Assessment on a statistical study of the previous year's graduating class, from which she highlighted the following:

- 38 percent of graduates finished their degrees in four years
- Approximately 66 percent of the 2009-2010 graduating class began their college education at USI
- Those who graduate in four years or less have stronger academic records in high school
- More students are coming to USI having completed college credits while in high school – a significant increase over last year’s graduating class
- Students who take longer to graduate tend to complete more credit hours beyond those required for graduation – sometimes because of a change in majors or because students stay to complete second and third majors and degrees.
- Transfer students remain an important part of USI’s student population and comprise almost a third of the graduating class (31 percent)

D. APPOINTMENT OF THE NOMINATING COMMITTEE

Mr. Dunn appointed Mr. Calloway (Chair), Mr. Romain, and Mr. Schenck to the Nominating Committee, which will prepare a slate of officers to be presented at the Annual Meeting of the Board of Trustees on July 14, 2011.

E. REVIEW OF THE ACADEMIC DEVELOPMENT PLAN (Exhibit I-A)

Mr. Dunn called on Provost Rochon, who referred the Trustees to Exhibit I-A, the Academic Development Plan, which was revised by the Academic Planning Council on March 28, 2011, and includes a plan for degrees to be considered through 2015-2017.

F. REPORT OF THE DIVERSITY COMMITTEE

Mr. Dunn called on Vice President Rozewski for a report of the Diversity Committee. Mr. Rozewski reported the Diversity Committee was created in response to a requirement in House Enrolled Act 1256, authorized by the 2007 Indiana General Assembly (IC-21-27-8-7). The Act requires that each Indiana public institution of higher education create a diversity committee to:

1. Review and recommend faculty employment policies;
2. Review faculty and staff complaints concerning diversity among faculty;
3. Make recommendations to promote and maintain cultural diversity among faculty members;
4. Make recommendations to promote recruitment and retention of minority students; and
5. Issue an annual report to the University’s Board of Trustees stating the committee’s findings, conclusions, and recommendations in these matters.

Mr. Rozewski introduced Director of Human Resources Donna Evinger, chair of the Diversity Committee, for a report. Ms. Evinger reminded the Trustees that prior to the legislation requiring formation of the Diversity Committee, the University had in place an Affirmative Action Committee. The membership of the Affirmative Action Committee was renamed and adapted to meet the requirements of the law.
Ms. Evinger reported on the Committee’s membership, objectives, activities, accomplishments, and plans for next steps. She noted one of the six goals of the University’s strategic plan is to increase the diversity of faculty, staff, and student body. The Diversity Committee participated in the strategic planning process for this goal, which resulted in strategies that support the mandate and objectives of the Committee. Ms. Evinger reported the Human Resources Department, in support of diversity recruitment goals, acquired a new recruitment platform, PeopleAdmin, which streamlines the recruitment process and provides diversity-related benefits. The Committee endorsed updates to the University’s diversity/EEO-related advertising messages. Ms. Evinger shared established and new diversity-related initiatives and events available to students, faculty, staff, and the community. The Committee looks forward to continued achievement of its objectives as it works toward an increasingly diverse and inclusive University faculty, administrative staff, support staff, and student body.

G. REPORT ON THE INDIANA GENERAL ASSEMBLY

Mr. Dunn called on Vice President Brinker for a report on the Indiana General Assembly. Ms. Brinker referred the Trustees to Exhibit I-B and began her report with a review of the 2011-2013 Performance Funding Formulas. She reported USI’s operating appropriations will increase approximately 2.4 percent or $937,128. A new investment of state funds was made in the State Student Assistance Program (SSACI), resulting in an increase in SSACI funding of $25 million over the biennium. No new facilities or capital projects were authorized by the General Assembly in 2011-2013. Vice President Brinker reported the USI Teaching Theatre project, authorized by the General Assembly in 2009, will receive $1,133,399 in fee replacement beginning in 2012-2013. She noted no funds were appropriated in 2011-2013 for General Repair and Rehabilitation.

USI’s only line item appropriation, the base appropriation for Historic New Harmony, was reduced by 15 percent, a base reduction of $83,014.

Ms. Brinker reported HB1001, the Budget Bill, includes language requiring the Commission for Higher Education (CHE) and state institutions to study the performance funding mechanisms before budget instructions are prepared for 2013-2015. The study is to consider different funding measures, methodologies, and weightings to better recognize the unique missions of Indiana’s institutions of higher education. Ms. Brinker reported on other legislation passed by the General Assembly:

- Dollar limits raised for external review of various construction projects;
- CHE authorized to determine charges for Dual Credit Priority Courses;
- Schedule for Tuition and Fee Hearings outlined
- Analysis of projected growth required in cost of 21st Century Scholars and other statutory fee remissions programs related to veterans;
- Review of future growth and development of Ivy Tech Community College authorized.

Vice President Brinker concluded by reporting on other legislation passed by the General Assembly:

- **HB 1004** – requires CHE to establish a web site to post financial and other public records;
- **HB 1402** – prohibits resident tuition for an individual not lawfully in the United States;
- **SB 577** – changes provisions for certain programs for receipt of financial aid.
H. APPROVAL OF RESOLUTION OF APPRECIATION TO LAUREN K. RAIKES '11

Mr. Dunn called on Vice President Rozewski, who referred the Trustees to a summary of approved construction change orders (Exhibit II-A).

B. REPORT ON CURRENT CONSTRUCTION PROJECTS

Mr. Dunn called on Vice President Rozewski, who introduced Director of Facility Operations and Planning Steve Helfrich for a report on the status of current construction projects. Exhibit II-B is a summary of the cost and funding sources for each project.

Mr. Helfrich reported that three engineering labs remain to be completed in the Business and Engineering Center. The University Center Expansion Project is complete except for site work, which will be completed when weather permits.

The second phase of the University Boulevard Asphalt Pavement Replacement project will begin in mid May, when the north portion of the Boulevard, from Rice Library to the campus entrance, will be resurfaced. Two student housing apartment buildings will be renovated in the first phase of the Student Housing Apartment Buildings Renovation in summer 2011. All 33 student apartment buildings will be renovated in the project over a five- to ten-year period. The apartments will receive new kitchen cabinets, bathroom cabinets and fixtures, light fixtures, doors, trim, paint, flooring, windows, and HVAC units.

* 15% reduction of FY11 appropriation
The Indiana General Assembly passed a two-year $28 billion state budget on Friday, April 29, 2011. The House of Representatives approved the new state spending plan in House Bill 1001 for 2011-2013 by a margin of 59-39 while the Senate voted in favor of the plan by a margin of 37-13.

Total operating appropriations for universities decreased by $74.6 million or 6.1% from FY11 levels. Of the reduction, 1% or $13.7 million was a permanent base reduction and $61 million was used to fund the Performance Funding Formulas (PFF) in FY12 and FY13. The state’s two-year budget used seven funding formulas recommended by the Commission for Higher Education in the appropriations process. Below is the allocation of the funding for the formulas used in the biennial budget process:

- Successful Completion of Credit Hours* $12,490,817 20.5%
- Dual Credit Successful Completion* $1,562,400 2.6%
- Early College Successful Completion $508,725 .8%
- Change in Degree Completion* $30,536,800 50.0%
- On-Time Degree Change* $1,213,745 2.0%
- Low Income Degree Change* $2,443,652 4.0%
- Research Incentive Funding $12,313,004 20.2%

The University of Southern Indiana was eligible to receive funding through the formulas in five of the seven categories. Those formulas are noted with an asterisk.

University line items were reduced by 15%. However, several statewide initiatives for Indiana University, Purdue University, and Ball State University received additional funding.

No new capital projects were authorized by the 2011 Indiana General Assembly. A total of $6.5 million in fee replacement was appropriated in FY13 for eight projects authorized in 2009. There was no funding for repair and rehabilitation of facilities.

Funding for the State Student Assistance Program (SSACI) will increase by $25 million over the biennium to $276 million in FY12 and $280 million in FY13. Funding was increased for the Statutory Fee Remission Program for Children of Disabled Veterans, the Part-Time Student Grant Program, Freedom of Choice Awards, and the Higher Education Award Program. Included in the budget bill is a requirement for the State Budget Agency to calculate the annual projected growth in appropriated dollars for the 21st Century Scholars Program and other statutory fee remission programs related to veterans programs before October 1, 2011.

The following is a summary of the 2011-2013 Biennial Budget for the University of Southern Indiana.
