

**AGENDA**

**LONG-RANGE PLANNING COMMITTEE**

**UNIVERSITY OF SOUTHERN INDIANA  
BOARD OF TRUSTEES**

**November 1, 2012**

**1. REPORT ON PRESERVATION OF LAND SOUTH OF BROADWAY**

At its meeting on September 20, 2012, the University of Southern Indiana Foundation Board of Directors approved the preservation of the land south of Broadway Avenue to support and advance scientific and educational opportunities for USI students and faculty. Dr. James Bandoli, professor of Biology, will discuss these opportunities in his presentation, "USI's Land South of Broadway: A Golden Opportunity."
