REPORT FROM THE OFFICE OF THE PROVOST AND VICE PRESIDENT FOR ACADEMIC AFFAIRS

The following Graduate petitions were approved 8/9/04:

New Courses:

EDUC 686 – Management in the Principalship
Course Description: Focuses on issues of time management, goal setting, strategic planning, and school politics. Emphasizes practical solutions in authentic contexts.
This course is required in the Building Level Administrator’s program.
Implementation Date: Fall, 2004.

EDUC 688 – Internships for School Leaders
Course Description: Provides practical experience in the day-to-day activities of the building level administrator. Intended as a synthesizing capstone for all prior educational leadership course work and field experiences. S/U grading system.
This course is required in the Building Level Administrator’s program.
Implementation Date: Fall, 2004.

EDUC 689 – Special Topics in Educational Leadership
Course Description: Examines topics germane to educational leadership but not included in the regular graduate course offerings. Topics will vary with offering and course may be repeated up to six hour maximum.
On the initial offering this course will be used in the Building Level Administrator’s program. In subsequent terms, the course may be used for license renewal.
Implementation Date: Fall, 2004.
