REPORT FROM THE OFFICE OF THE VICE PRESIDENT FOR ACADEMIC AFFAIRS

The following Undergraduate petition has been approved:

Experimental Course:

GENS 094X  ESL Intensive Course

The ESLI program is an intensive English program with 25 hours of instruction each week in reading, writing, speaking, listening, grammar and vocabulary. ESLI techniques include cultural context students need by involving them in academic excursions, conversation partners, friendship families, and recreational activities.

Implementation Date: Spring 2004 through Summer III 2004.
