Housing For Overnight Campers

The USI basketball camp offers one of the best housing arrangements in the country. Campers reside in furnished two bedroom dorms with four campers to a unit. Our air-conditioned dorms come equipped with a small kitchen, dining area, two baths, and phone. Campers will be separated by age groups; roommate preferences will be honored when possible. Linens are not furnished.

Housing will be closely monitored by camp staff who will be staying in the dorms, and is patrolled by USI Campus Security.

Supervision

The camp will be supervised by USI coaches and counselors. The ratio will be one staff member for every 10 to 12 campers. Rules established by the directors must be respected. Campers will be responsible for any damage they cause to their rooms or other campus property. Camp officials try to treat all our young ladies fairly and responsibly.

The camp fee includes a camp T-shirt, individual fundamental periods each day, guest lectures, team play, and insurance on each camper. The June 4 skills camps do not include camp T-shirt.
