Panhellenic Creed

We, as Undergraduate members of Women's Fraternities, stand for good scholarship, for guarding of good health, for maintenance of fine standards, and for serving, to the best of our ability, our college community. Cooperation for furthering fraternity life, in harmony with its best possibilities, is the ideal that shall guide our fraternity activities.

We, as Fraternity Women, stand for service through the development of character, inspired by the close contact and deep friendship of individual fraternity and Panhellenic life. The opportunity for wide and wise human service, through mutual respect and helpfulness, is the tenet by which we strive to live.

- Be treated with respect
- Be treated as a capable and mature person without being patronized
- Ask how and why and receive straight answers

- Have inviolable confidentiality when sharing information with Rho Sigmas
- Make informed decisions without pressure from others
- Be fully informed about the NPC Unanimous Agreements implicit in the Membership Recruitment Acceptance Binding Agreement (MRABA) signing process
- Make one's own choices and decisions and accept full responsibility for the results of that decision
- Have a positive, safe, and enriching recruitment and new member experience

Recruitment Counselors

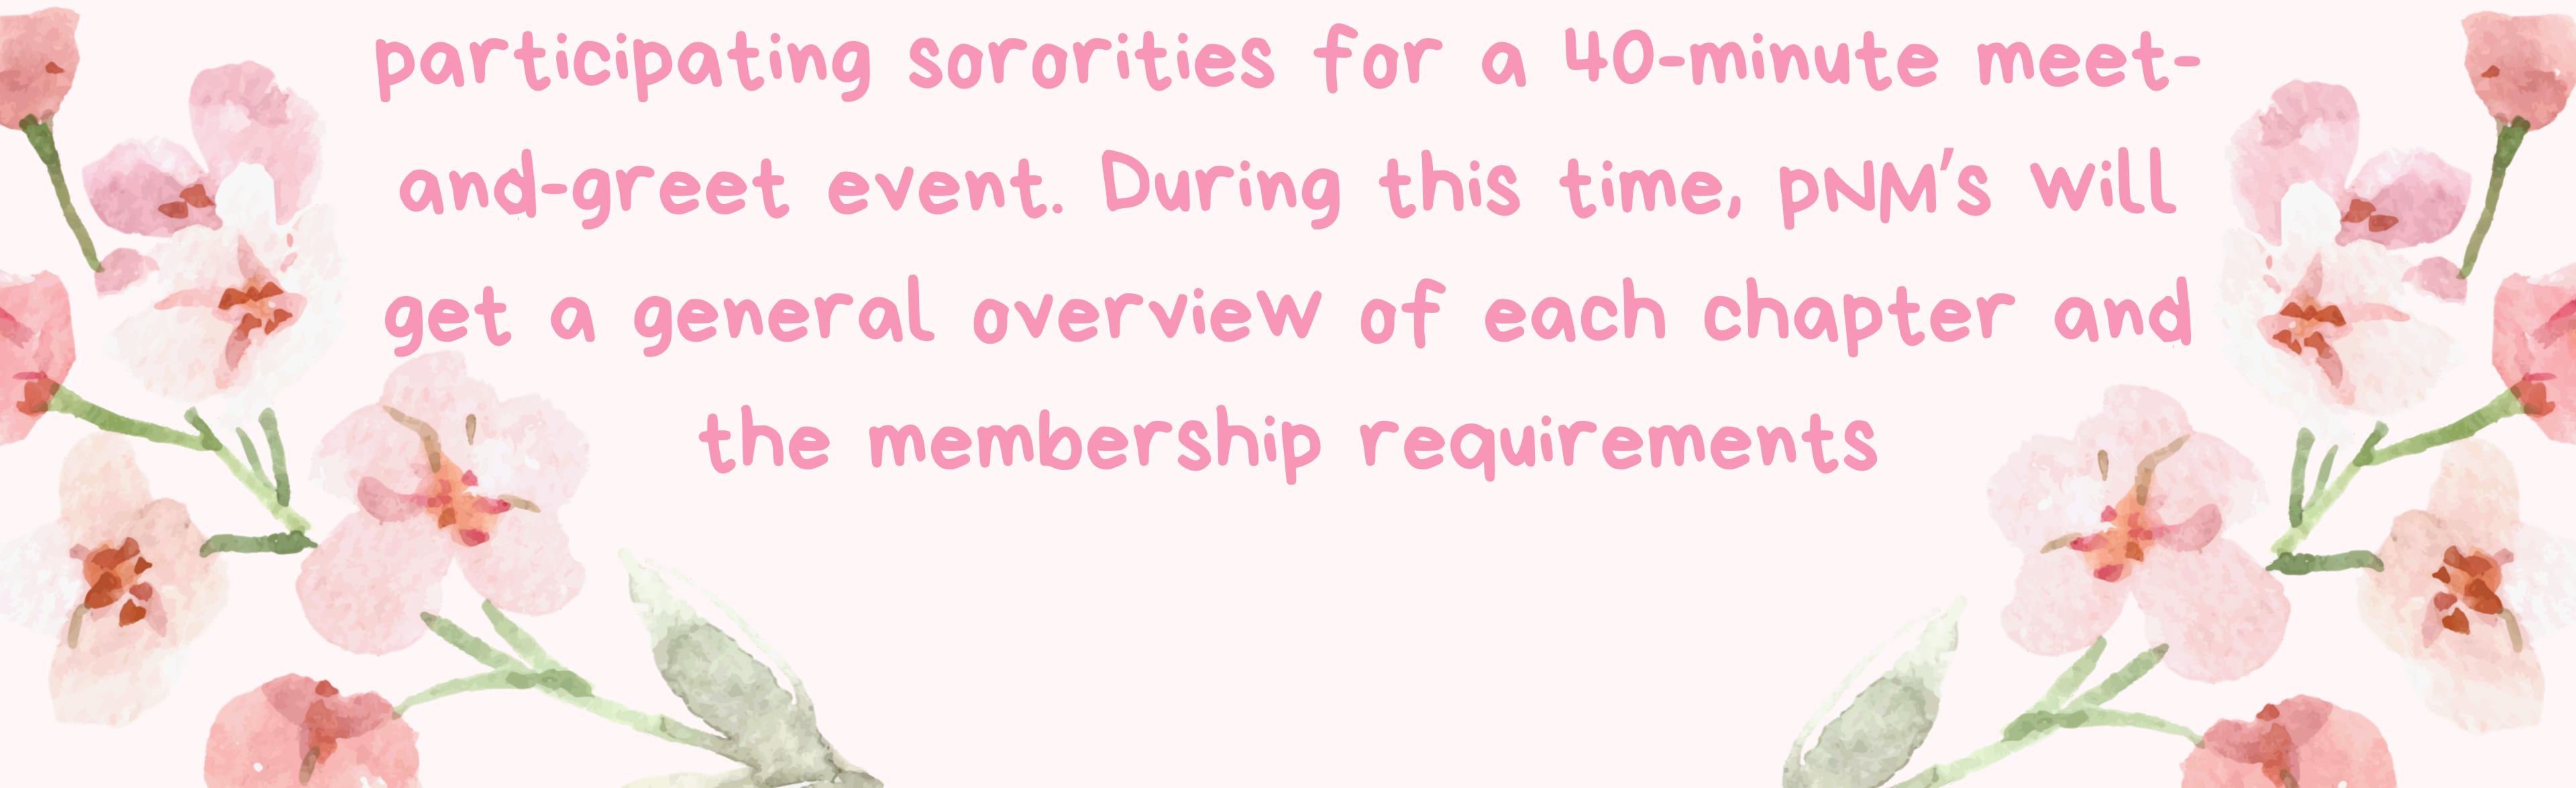

A recruitment Counselor, better known as a Rho Sigma, is a member of the Panhellenic community who has chosen to help unbiasedly lead a group of PNM's through the formal recruitment process.

You will meet your Rho Sigma at the informational sessions before the weekend. She is SO excited to meet you! She has been training for this position and could not be more excited to guide you through the recruitment process. Your Rho Sigma is a resource for you at all times! Whether you have a question about what to wear to rounds, how to get to class, or if you are struggling with adjusting to life away from home, your Rho Sigma will be there for you before, during, and after recruitment. Your Rho Sigma has disassociated from her chapter to be an unbiased resource for you. Please do not try to reveal her affiliation before she tells you on Bid Day. Your Rho Sigma was chosen from a competitive pool of applicants. We love her and hope you do too!

Day 1: Develop In Sisterhood (9/18/26)

Time: 4:30 pm - 11:30 pm

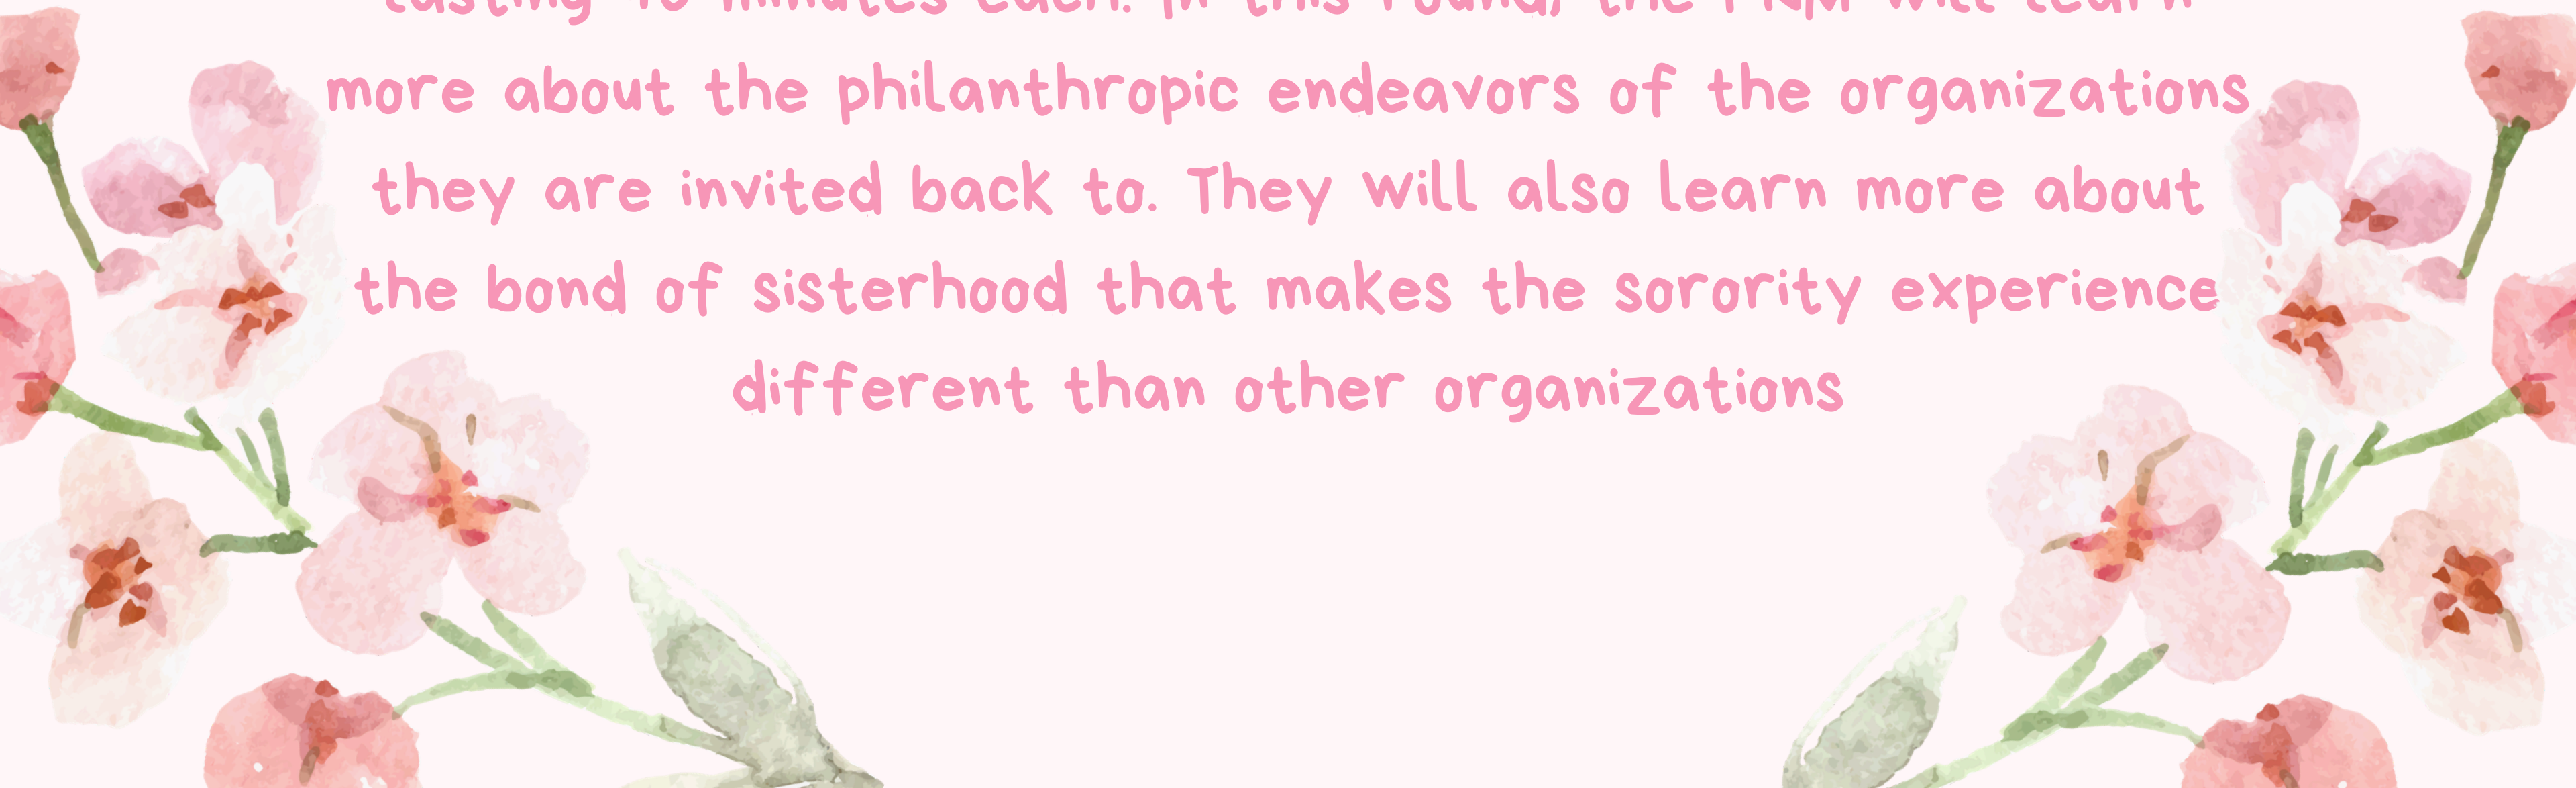

The "Develop In Sisterhood" Round is essentially an open house. Each PNM will visit the five participating sororities for a 40-minute meet-and-greet event. During this time, pnm's will get a general overview of each chapter and the membership requirements

Day 2: Philanthropy Round (9/19/26)

Time: 12:00 pm - 7:00 pm

Philanthropy Round is the first day of invitations to recruitment events. Each PNM may visit up to four parties, lasting 40 minutes each. In this round, the PNM will learn more about the philanthropic endeavors of the organizations they are invited back to. They will also learn more about the bond of sisterhood that makes the sorority experience different than other organizations

Day 3: Preference (9/20/26)

Time: 8:30 am - 1:30 pm

The Preference Round consists of each PNM visiting up to two events lasting 60 minutes each. The sorority members will explain to PNMs what it means to be a member of their sorority and what their sorority can offer the PNM. This round provides the deepest level of insight for the PNM to help pick their chapter. During this round, Panhellenic encourages PNMs to think back on the previous rounds and recall what they liked best about these sororities and why they would choose to join a particular group. When choosing a sorority, keep things in perspective.

Bid Day (9/20/26)

Time: 5:00 pm

Bid Day, which occurs on the same day as the preference round, is when PNMs may receive up to one bid (invitation to join) from a chapter. If the PNM accepts the bid, they will be a new member of that chapter from that point forward. However, new members will not be initiated into the chapter until weeks after Bid Day.

Recruitment Eligibility

To be eligible for Panhellenic Sorority Recruitment, you must:

- Be enrolled as a full-time, degree-seeking student at USI
- Most chapters have, at least, a minimum 2.6 GPA; please note that some sororities have a higher GPA requirement
- Register for recruitment via the online form
- Pay the \$30 non-refundable recruitment registration fee
- Plan to attend all the recruitment events

Missing any part of recruitment makes it more difficult for the women in each sorority to get to know you and may limit the ability to place you in an organization.
