<b>AND</b>	
CHE 353          Organic Chemistry I /Lab	4
CHE 354          Organic Chemistry II /Lab	4
<b>PHYSICS</b>	
PHY 175          General Physics I /Lab	4
<b>AND</b>	
PHY 176          General Physics II /Lab	4
<b>COMMUNICATION SKILLS</b>	6
Any college level courses in the English Department and/or speech, foreign language, literature, and mass communications courses.	
<b>PSYCHOLOGY</b>	3
<b>SOCIAL SCIENCE/HUMANITIES</b>	15*

\*Distribution of six semester hours in humanities and nine semester hours in social science would prepare a student to be eligible for the Bachelor of Science in Human Biology. A college math course is also required to earn a Bachelor's degree from Logan.

Social Science areas include anthropology, economics, geography, history, management, marketing, political science, psychology and sociology.

Humanity areas include art, drama, foreign language, literature, music, philosophy and religion.

**Additional suggested classes that students can take to fulfill the 90 semester hour requirement**

Advanced Science Classes- In Addition to the prerequisite science classes

Business Classes – Marketing, Management, Advertising, Business Administration

Communication Classes – Speech, Mass Communications

Computer Skills
