The focus of this series is to increase the health and well-being of the Evansville community, while also providing hands-on experience for students in the Sports Management program. Through these three races, USI will join forces with local organizations and businesses to develop partnerships that will potentially boost community participation on the USI campus.

**RACES**

- **Hearts on Fire 5K**
  The 5K will solely feature the USI campus. The inaugural HOF 5K race in 2010 is proud to be known as the largest “first time” 5K in the Evansville area with 750 registered participants.

- **Run of Luck 7K**
  The 7K will begin on USI’s campus, loop onto Schutte Road, and will finish on the USI/Burdette bike path. This 13th annual race historically has a large community following for the Evansville area, consisting of an average of 1,000 participants yearly.

- **Spring into Fitness 10K**
  The 10K will be a great chance to see the USI/Burdette bike path, as the course runs from USI to Burdette and back on the path.

  Sport Management has become an increasingly popular academic discipline in colleges and universities. Sports have become a major industry, resulting in both increased need for professionals and more opportunities to train students effectively for sport careers by providing them with the kinds of learning environments that produce critical thinkers and problem solvers.

  By donating to the USI Sport Management scholarship fund you will enable us to attract and graduate top-notch students, allow for achievement of educational goals, and the pursuit of a career within the sport industry.
