Congratulations! Our records indicate you may be ready to complete your degree requirements at the end of spring or summer 2012. It’s up to you to get the graduation process rolling and sign up to participate in Commencement on campus where family and friends can celebrate your accomplishment. Here’s what you can do now to ensure a smooth graduation experience. If you are not expecting to graduate until later, please disregard this notice.

2012 Spring Commencement exercises for post-baccalaureate certificates, master, and doctoral degree candidates from all colleges will be held Friday, April 27, at 6:30 p.m. at the Physical Activities Center (PAC) on the USI campus. Students who complete graduation requirements in May, or will complete graduation requirements in one of the subsequent summer sessions, are eligible to participate in the April commencement exercises. Degree candidates must declare their intent to participate in the Commencement ceremony. You are urged to carefully read all of the material so you are aware of the many aspects of graduation and Commencement.

For answers to questions regarding academic graduation requirements, contact your academic advisor or refer to the Registrar’s web site at www.usi.edu/reg; Commencement ceremony, contact Special Events at 812/464-1930, or refer to the Graduation Commencement web site at www.usi.edu/commencement.

All undergraduate students who plan to graduate must complete the following three steps whether or not they plan to participate in the Commencement Ceremony.
