

YMCA Sports Academy Job Description

- **General sports management – keeping schedules, maintaining participant communications, cleaning sports equipment, housekeeping of our areas.**
- **Coaching/Mentoring – Our Interns are given the chance to help coach in our programs, and our coaches are usually also mentors to the children participants as role models and leaders.**
- **Data Entry – Our sports program prides itself on our ability to communicate with parents/participants through technology so interns are given opportunities to help keep up or database of participants.**
- **Working with children – We have kids that participate in numerous activities and we help direct kids to find what they are looking for, and also keeping their attention and participation during any of our programs. We run a top notch sports program and hold our interns to the same level as our coaches.**
