

Modified Equipment Lending Classroom Inventory

Materials on this list may be checked out for classroom but must be disinfected by the supervising teacher between each student use.

Vernier Labquest Equipment

- LabQuest 2s & Chargers
- Anemometers
- Barometers
- Biochamber 250s
- Biochamber 2000s
- Blood Pressure Sensors
- Colorimeters
- Conductivity Probes
- CO₂ Sensors
- Dissolved Oxygen Sensors
- Drop Counters
- EKG Sensors
- Gas Pressure Sensors
- Hand Grip Heart Rate Monitors
- O₂ Sensors
- ORP Sensors
- pH Sensors
- Relative Humidity Sensors
- Soil Moisture Sensors
- SpectroVis Plus Sensors
- Surface Temperature Probes
- Temperature Probes
- Turbidity Sensors
- Advanced Optics Systems
- Current Probes
- Differential Voltage Probes
- Dual Range Force Sensors
- Dynamics Systems with Tracks
- Easy Links
- Force Plates
- Go! Links
- GPS Sensors
- Energy Sensors

Vernier Labquest Equipment (cont'd)

- Hand Dynamometers
- Light Sensors
- Low-G Accelerometers
- Magnetic Field Sensors
- Motion Detectors
- Microphones
- Optics Systems
- Photogate Timers
- Picket Fences
- Radiation Detectors
- Voltage Probes
- Watts Up Pros
- Math & Measurement Materials**
- Circle Master Compasses
- Clear Geometric Shapes
- Cloth Measuring Tapes
- Digital Balances
- Estimating Calculators
- Gallon and Liter Sets
- Measuring Cups
- Meter/ Yard Sticks
- Mini-Clocks
- MIRA Classroom Sets
- Origami Set
- Patty Paper Geometry
- Pig Dice
- Polydron Set
- Protractors & Rulers
- Elementary Balances
- Rainbow Fraction Circles
- Rainbow Fraction Squares
- Supersource Cuisenaire Rods
- Triple Beam Balances

Other Resources

- Buret Clamps
- Compound Microscopes
- Dissecting Microscopes
- Prepared Slide Sets for Microscopes
- Horizontal Electrophoresis Gel Boxes
- Light Boxes
- Micropipettes
- Mini-Centrifuges
- Ring Stands
- Spec 20s
- Stirring Hot Plates
- Thermacyclers
- Vortexers
- Water Baths
- Alnico Bar Magnets
- Globes
- Prisms
- Magnetite Samples
- DC Power Supplies
- Digital Multimeters
- Hand Operated Generators
- Hooked Mass Sets
- Mini-Launchers
- Photogate Timers
- Sine Wave Generators
- String Vibrators
- Spring Scales
- Thermometers

Modified Equipment Lending Demonstration Inventory

Materials on this list may only be borrowed for classroom demonstration and are limited to 1 per teacher.

- Cell Mitosis Model Set
- Cell Meiosis Model Set
- K-Nex DNA Model Sets
- Giant Heart Model
- Giant Lung Model
- Giant Brain Model
- Giant Skin Model
- Giant Animal Cell Model
- Giant Kidney Model
- Giant Eye Model
- Giant Respiratory System Model
- Magnetic Water Molecule Sets
- Proscope Digital Microscopes
- Human Skeleton
- Volcano Model
- Discovering Topographic Maps Kit
- Fossil Sets
- Washington Rock and Mineral Sets
- Folding Geometric Shapes
- Lava Lamp
- Water Cycle Kit
- Giant Geometric Tools
- Aquapod
- Archimedes Floating Balances
- Electrostatic Generators
- Beginner Electricity Kits
- Density Sphere Experiment Kits
- Energy Sticks
- K-Nex Bridge Building Kits
- K-Nex Forces, Energy, and Motion Kits
- K-Nex Introduction to Structure: Bridges
- K-Nex Simple Machines Kits
- Wooden Simple Machines Kit
- Snap Circuit Kits
- Straw Rocket Launchers
- Turing Tumbles
- Altitude Sets
- Loud Speaker
- Solar System Orbiter
- INSTAR books
- Landforms Demonstration Kit
- Box of Bones
- Davis Weather Station

Vernier Laboratory Manuals are available in digital format by request.
