2021-2022 Budget Adjustment Appeal

The 2021-2022 Budget Adjustment Appeal is intended to address extenuating education costs not included in the standard cost of attendance (COA). The standard COA is based on the average educational costs incurred for students. Costs must occur within the nine-month academic enrollment period.

B. Instructions

Complete, sign, and return this form (in black or blue ink) with documentation. Pay special attention to documentation required in each category. Incomplete requests will not be processed.

Note: Increasing your COA may allow for additional borrowing through the Direct Loan Program(s) if you have not already been awarded the maximum amounts permitted for your dependency status, grade level and degree; the Direct PLUS Loan or Graduate PLUS Loan programs; or an alternative private student loan.

Expenses that are covered by a third party will not be considered.
