UNDERGRADUATE COURSE DELETION PETITION

1. Course Title: Dental Hygiene Theory and Services IV

2. Course Description: This course presents information on current developments in dental hygiene and dentistry. Also covered will be a review of the Indiana dental law and preparation for the National Board Dental Hygiene Examination, and state/regional examinations. The student will orally present the periodontal case client experience. Discussion of current clinic issues is included. The clinical component of the course emphasizes increased independence of the student in developing and implementing treatment strategies. Increase emphasis is placed on treatment and maintenance of clients who exhibit moderate to severe periodontal disease. The student will complete the implementation of the care plan and evaluation of the periodontal case client. Three hours lecture, 16 hours clinical.

Rationale for Course Deletion

This course is no longer included in the dental hygiene curriculum. The course was part of the Dental Hygiene Associate Degree curriculum which was suspended in 2008. The curriculum was redesigned with upper level courses and additional core courses, leading to a Bachelor Degree for all program graduates, effective 2009.
