RATIONALE FOR COURSE DELETION, ENG 121

This course has not been offered by the English Department in a number of years. The course no longer appears on the English Department website as a course that the department offers. Likewise, the course no longer appears in the University of Southern Indiana Bulletin. In fact, it has not appeared in the Bulletin since at least 1995. Currently, then, no course description is available.

However, according to the Registrar’s office, the course is still “active” in the Banner system. Therefore, the department is submitting the petition to delete the course so that the Banner system can be brought up to date.
