UNIVERSITY OF SOUTHERN INDIANA CREED

AS A MEMBER OF THE USI COMMUNITY...

I will practice personal and academic integrity; I will reject and confront all manifestations of discrimination while striving to learn from differences in people, ideas and opinions;

I will demonstrate concern for others, their feelings, their property and their need for conditions which support their work and development;

Allegiance to these ideals requires that I refrain from and discourage behaviors which threaten the freedom and respect every individual deserves.

The University of Southern Indiana is a diverse community devoted to preparing students to become better students. Each member of this community is obligated to a code of civil behavior. If you experience or observe actions on campus which are not in accordance with the USI Creed, please contact the Dean of Students Office at 812-464-1862.

The University of Southern Indiana's Equal Opportunity and Non-Discrimination Policy prohibits all forms of unlawful Discrimination and related Harassment toward any University community member on the basis of race, color, religion, sex, pregnancy or marital status, parental status, national origin or ancestry, age (40 and older), disability, genetic information, sexual orientation, gender identity, gender expression, veteran status or any other category protected by law or identified by the University as a protected class.
