College Finance Question and Answer
If you have questions about financing college, this session is for you. The staff of Student Financial Assistance, Student Financial Success Center and the Bursar’s Office will answer questions about financial assistance and the billing and payment process on campus.

Engaging Our Future Leaders: The Importance of Student Involvement
While academic performance is important, it is not the only aspect of education that contributes to a student’s growth. Student involvement provides opportunities for students to explore their interests, develop new skills, and build relationships with peers and mentors. This session will explore how co-curricular activities can provide a sense of belonging and connectedness to the community, which can contribute to improved mental health and academic engagement.
