

EVANSVILLE CAREGIVER SUPPORT GROUP

Support groups create a safe, confidential, supportive environment or community and a chance for participants to develop informal mutual support and social relationships.

They also educate and inform participants about dementia and help participants develop methods and skills to solve problems.

This group is led by Cathie Schaffstein. Walk-ins are welcome or you can register by calling our Helpline at 1-800-272-3900.

Please join us for this **FREE** in-person support group!
