

Health Administration

# SUMMER READING

An intimate portrait of a struggling small-town hospital and its patients rips away the façade hiding the forces behind America's growing health crises.

**THE AUTHOR**

***"With his signature gut-punching prose, Alexander breaks our hearts as he opens our eyes to America's deep-rooted sickness and despair by immersing us in the lives of a small town hospital and the people it serves."***

—Beth Macy, bestselling author of *Dopesick*
