

Making Requested Revisions

Minor modifications may be necessary after the Institutional Review Board has reviewed your initial protocol submission. This section of the user manual will guide principal investigators in the steps necessary to submit minor modifications. You will receive an e-mail indicating that your project has been unlocked if modifications are required.

1. Login to www.irbnet.org with your username and password then click on the **My Projects** button on the left side of the screen. Select the project you wish to modify.

My Projects

Your "My Projects" workspace shows projects that you have created and projects that have been shared with you by other users on the National Research Network. Use Reminders, Tags and Archiving to help organize your workspace and keep it running smoothly. ([Learn More](#))

There are no Training & Credentials records linked to this package. | [Link / Un-Link Training Records](#) |

6. If all items from the initial review are correct, your application will then be sent to a reviewer. Keep in mind that reviewers have up to seven business days to complete their review and might comment with additional revisions. In that case, return to step 1 to modify your application again. Allow yourself **at least 3 weeks** to get approval prior to project start date.
7. Upon completion of review you will either get a ‘Modifications Required’ letter or an ‘Approval’ letter. You will receive a notification email and can view the letter upon clicking **Review Details** on the Designer page.
