ADMITTED STUDENT TASK LIST

The Admitted Student Task List provides a comprehensive list of tasks a new student needs to complete prior to beginning classes at USI. You will access your personalized Task List on myUSI.

All About Archie's Book Bundle

You may have recently received an email about Archie's Book Bundle (named after our beloved mascot). This program is dedicated to reducing course material and textbook costs for a majority of students, allowing participants to receive all materials at \$24 per credit hour.

All students are automatically opted in to the program When you get the email you need to first decide if going with the program is the most cost effective for you. If it is, you must respond using the link in the email to how you plan to get your books (pick up in the Campus Store or have them

shipped.)

If you decide it is better to opt out, follow instructions given by the USI Campus Store via email.

There are a variety of meal plan options for both students living in residence halls and those living in the apartments, so you can choose the one that best fits your needs! To find out more about each plan, follow the link below or the QR code.

You can make changes to your plan until end of day on Sunday, August 17.
