

SANE CLINICAL SKILLS REFRESHER

Featuring hands-on skills review, case studies
and mock examinations on live patient models
precepted by experienced forensic nurses.

DATE

February 10, 2026

WHERE

TERRE HAUTE, IN

Who should attend: Nurses needing a forensic refresher, limited case experience, returning after a break, seeking updated clinical skills, or wanting more case practice to maintain competency.

Hoosier nurses are eligible for training reimbursement by the Indiana SANE Training Project
