

Free Pregnancy Ultrasounds

The USI Diagnostic Medical Sonography Program is offering non-diagnostic ultrasounds to those in their 2nd and 3rd trimester (20-34 weeks pregnant)!

Details:

Offered Tuesday and Thursday afternoons
through April 27, 2023

- Located on the University of Southern Indiana campus
- Ob physician consent is required
- Students will be practicing assigned images under the direction of experienced faculty members (Don't worry, we'll still try to get you a cute picture)
- You are more than welcome to take photos with your phone to cherish forever!

We'd love to see you (and your little one) this Spring!
