

Friday, June 14, 2024

Before the room notification on Monday, June 17, at 6 p.m., we would like to inform you of some important updates.

Due to increased demand for housing, we had to consolidate spaces to accommodate all students with signed housing contracts for the 2024-2025 academic year. As a result, some room assignments may have changed from your original selection.

If you participated in the room selection process, the assigned room may differ from your initial selection, but the room type and/or roommate group will be the same. This was necessary as we worked to consolidate spaces and make adjustments to accommodate all students. If you did not take part in the room selection process but had a room selection timeslot, we assigned you based on your room type preference and confirmed roommate group on the Housing Portal.

We understand that students' preferences may change, including their choice of roommates and room preferences. We genuinely want to accommodate these changes, but unfortunately, we are unable to accept any additional changes after the deadlines have passed. These deadlines are put in place to ensure that we can fulfill the requests of those who have met the deadline. Please know that assignments for the fall term have already been finalized.

We truly understand that unexpected changes can be unsettling, and we want to assure you that our primary goal is to ensure that everyone has suitable housing. We are eagerly looking forward to welcoming you to the USI Housing and Residence Life community and making your experience positive.

To stay informed about the latest housing news and information, please follow us on social media ([Facebook](#) and [Instagram](#)) and periodically check the [Housing Portal](#) for updates.

If you have questions about housing, please email living@usi.edu or call 812-468-2000.
