

## 2026 Retirement & Financial Wellness Workshops

Date	Begin Time	End Time	Subject	Presenter	Room/Web Link
3/26/2026	9:00 AM	10:00 AM	<p><b>Understanding Social Security</b></p> <p><i>This virtual session on Understanding Social Security is tailored for USI employees and their loved ones who plan to retire within the next 5-10 years, as well as individuals seeking insights into Social Security. Participants gain knowledge on the application process for Social Security Income, exploring the impact of age and wages on benefit amounts. The workshop covers key aspects such as the intersection of work and benefits, and it provides insights into survivor and disability benefits. Whether contemplating retirement or simply aiming to enhance their understanding of Social Security, attendees receive valuable information to make informed decisions about their future financial well-being.</i></p>	<p>Charo Boyd</p> 	<p><a href="https://usi.zoom.us/j/822192220">*UC2219-2220 or https://usi.zoom.us/j/822192220</a></p>
3/26/2026	11:00 AM	12:00 PM	<p><b>The USI Retirement Offering</b></p> <p><i>This session is designed for eligible USI employees seeking insights into their retirement benefits, including medical, dental and life coverage. Participants will gain knowledge about USI's retirement policy offerings, eligibility criteria and the transition process from an active employee to retiree status. The workshop aims to provide a comprehensive understanding of the available retirement benefits, empowering employees to navigate the transition effectively and make informed decisions about their retirement plans within USI .</i></p>	<p>Amy Miller</p> 	<p>UC East 2219-2220</p>
3/26/2026	11:00 AM	12:00 PM	<p><b>Understanding Required Minimum Distributions (RMDs)</b></p> <p><i>This webinar is designed to explain when you make pretax contributions to your retirement account, taxes aren't due until you withdraw your money in retirement. But what if you don't withdraw the money? Well, the IRS makes sure you do—through required minimum distributions when you turn 73. In this webinar you'll get insights on:</i></p> <ul style="list-style-type: none"> <li>• What RMDs are and when they apply</li> <li>• Exceptions to the basic RMD rules</li> <li>• How to take your RMDs</li> <li>• How to avoid costly mistakes</li> <li>• What you can do with your money</li> </ul>	<p>Monthly Webinar</p> 	<p><a href="#">Understanding Required Minimum Distributions (RMDs)</a></p>
