

Please read all information listed below:

The University of Southern Indiana address is located at 8600 University Blvd, Evansville, Indiana, 47712

The travel directions upon arriving at the intersection of the Lloyd Expressway and University Parkway/Blvd at the entrance of USI are as follows:

At the entrance of the University, travel around the water fountain (left lane because of construction) and continue down University Blvd into the campus area. (Make sure to yield appropriately at the round-about and BEWARE!) Parking areas A, B, and C are directly to your left; the main campus area is to the right.

Park in Lot C.

- Walk across University Blvd to the campus area and go into the Performance Center (shown above). The Performance Center connects to your destination, the University Center East building.
- Once inside the Performance Center, walk down the hall area, past the counter on the left and a staircase on the right.
- At the end of the hallway there is an elevator on your left. You are on the Lower Level and there is a 1st and 2nd floor. Press 2 in the elevator.
- When you walk off the elevator, you are stepping into the University Center East Building; approximately 15 steps and around the corner to the left is the reception desk where you will need to register/check in for the class.

Be aware while traveling, especially at peak travel times in the morning/afternoon: at present in the Evansville area there are multiple highway construction sites turning highway travel to 1 lane in each direction of a 4-lane road. This includes I-69 north and south bound lanes on the east side of Evansville; various locations of the Lloyd Expressway, from east side to west side of Evansville; and areas of Hwy 41 which affect both the north and south bound lanes.

Please attempt to arrive 30 minutes prior to class time! Arriving early at your destination will ensure that you do not miss registration and entrance into your class. (Evansville is on Central Standard Time)

A valid government issued photo ID, ex. driver's license, state ID, that has not expired, is required (passport is accepted but can change the status of the badge). The ID cannot be presented as a picture on an electronic device/cell phone. Cannot be a photocopy. The only accepted paper copy is from the Bureau of Motor Vehicles you receive when obtaining a new license or renewing your license.

USI is a smoke-free campus (no cigarettes, cigars, pipes, vapes, etc...) Smoking is only allowed in your personal vehicle. Weapons are also not allowed on campus.
