Panhellenic Creed

We, as Undergraduate members of Women's Fraternities, stand for good scholarship, for guarding of good health, for maintenance of fine standards, and for serving, to the best of our ability, our college community. Cooperation for furthering fraternity life, in harmony with its best possibilities, is the ideal that shall guide our fraternity activities.

We, as Fraternity Women, stand for service through the development of character, inspired by the close contact and deep friendship of individual fraternity and Panhellenic life. The opportunity for wide and wise human service, through mutual respect and helpfulness, is the tenet by which we strive to live.

Recruitment Counselors

What you need to know about your Rho Sigma:

A Recruitment Counselor, better known as a Rho Sigma, is a member of the Panhellenic community who has chosen to disassociate from her own Chapter to help unbiasedly lead a group of PNM's through the formal recruitment process

You will meet your Rho Sigma at the informational sessions before the weekend

She is SO excited to meet you! She has been training for this position and could not be more excited to guide you through the recruitment process

Your Rho Sigma is a resource for you at all times!

Whether you have a question about what to wear to rounds, how to get to class, or you are struggling with adjusting to life away from home, your Rho Sigma will be there for you before, during, and after recruitment.

Your Rho Sigma has disassociated from her chapter to be an unbiased resource for you. Please do not try to reveal her affiliation before she tells you on Bid Day. Your Rho Sigma was chosen from a competitive pool of applicants. We love her and hope you do too!

Day 1: Develop In Sisterhood (9/19)

Time 4:30 pm - 11:30 pm

**The "Develop in Sisterhood" Round,
is essentially an open house. Each
PNM will visit the Five participating
sororities for a 40 minutes meet-
and-greet event. During this time, PNM's will get a
general overview
of each chapter and the
membership requirements.**

Day 2: Philanthropy & Sisterhood (9/20)

Time 12:00 pm - 7:00 pm

Philanthropy Round is the first day of invitations to recruitment events.

Each PNM may visit up to four parties lasting 40 minutes each. In this round, the PNM will learn more about the philanthropic endeavors of the organizations they are invited back to. They will also learn more about the bond of sisterhood that makes the sorority experience different than other organizations.

Day 3: Preference Round (9/21)

Time 8:30 am - 1:30 pm

Preference Round consists of each PNM visiting up to two events lasting 60 minutes each. The sorority members will explain to PMNs what it means to be a member of their sorority and what their sorority could offer the PNM. This round provides the deepest level of insight for the PNM to help pick their chapter. During this round, Panhellenic encourages PNMs to think back on the previous rounds and recall what they liked best about these sororities and why they would choose to join a particular group. When choosing a sorority, keep things in perspective

Bid Day (9/21)

Time: Arrive by 5:00 pm

Bid Day, which occurs on the same day as the preference round, is when PNMs may receive up to one bid (invitation to join) from a chapter. If the PNM accepts the bid, they will be a new member of that chapter from that point forward. However, new members will not be initiated into the chapter until weeks after Bid Day.

Recruitment & Eligibility:

**To be eligible for
Panhellenic sorority
recruitment you must:**

- Be enrolled as a full-time, degree-seeking student at USI.
- Most chapters have, at least, a minimum 2.6 GPA; please note, that some sororities have a higher GPA requirement.
- Register for recruitment via the online form.
- Pay the \$30 non-refundable recruitment registration fee.
- Plan to attend all recruitment events.

Missing any part of recruitment makes it more difficult for the women in each sorority to get to know you and may limit the ability to place you in an organization.

FAQ

-How do I know if joining a sorority is right for me?

The best way to know if being a sorority woman is right for you is to participate in recruitment. You will get to meet sorority women, ask questions, and learn about the benefits and expectations of membership to make an informed decision if the experience is right for you.

-How do you know which sorority is right for you?

When you go through recruitment, it can be difficult knowing which chapter is best for you. Pay attention to how you feel visiting each chapter. Consider these questions:

- Do you feel a connection to the members you meet?
- Do you feel listened to?
- Can you see yourself as a member of that chapter?

Trust your own feelings and not the opinions of others

-What is it like to go through recruitment?

When you meet each chapter through recruitment you'll learn about their sisterhood, service and philanthropy opportunities, academic support, personal development opportunities, and more.

-Why else should I join other than to have fun?

Sorority membership comes with many benefits. You find a group of supportive women to develop lifelong relationships.

You develop skills like time management, leadership, communication, and more. You find academic support. And you get to volunteer and fundraise for local and national organizations.

-Is it hard to balance a job, a sorority, and school?

While trying to juggle all of your responsibilities can be difficult, sorority can help teach you skills like time management through educational workshops. These workshops and experiences can give you actionable steps to finding a balance between your job, sorority, and school.

-Is the stereotype of sorority shown in movies true?

What sorority is like in movies and what it is like, in reality, are totally different in real life. The sorority community has women who are strong, smart, leaders who come from many different backgrounds.
