

Indiana Medical Forensic Examination Providers 2024

For more information on training opportunities, events, and resources, please visit:

www.usi.edu/IndianaSANE

In the absence of a forensically trained provider, patients should be transferred or referred to the nearest trained provider, or another trained provider that is either preferred by the patient or is most convenient for the patient. When making a referral for a medical forensic examination, please call the hospital/healthcare facility before referring the patient to ensure a trained provider is available.

January 2024

Please report changes or updates to this guide to the Indiana SANE Training Project or Indiana Statewide SANE Coordinator.

ADAMS

No SANE-trained providers.

ALLEN
