**You are currently enrolled as a member of UnitedHealthcare® Group Medicare Advantage (PPO).**

Next plan year, there will be changes to the plan's costs and benefits. Please see page 7 for a Summary of Important Costs. This document tells about the changes to your plan. To get more information about costs, benefits, or rules please review the Evidence of Coverage, which is located on our website at [retiree.uhc.com](https://retiree.uhc.com). You may also call Customer Service to ask us to mail you an Evidence of Coverage.

Members enrolled in our plan through a former employer, union group or trust administrator (plan sponsor) can make plan changes at times designated by your plan sponsor.

## What to do now

### 1. **Ask:** Which changes apply to you

- Check the changes to our benefits and costs to see if they affect you.
  - Review the changes to Medical care costs (doctor, hospital).
  - Review the changes to our drug coverage, including authorization requirements and costs.
  - Think about how much you will spend on premiums, deductibles, and cost sharing.
- Check the changes in the 2024 Drug List to make sure the drugs you currently take are still covered.
- Check to see if your primary care doctors, specialists, hospitals and other providers, including pharmacies will be in our network next year.

- 
- Think about whether you are happy with our plan.
  - Because you are a member of the UnitedHealthcare® Group Medicare Advantage (PPO) plan, you can see any provider (network or out-of-network) at the same cost share, as long as they accept the plan and have not opted out of or been excluded or precluded from the Medicare Program.

**2. Choose:** Decide whether you want to change your plan

- If you want to **keep** UnitedHealthcare® Group Medicare Advantage (PPO), you don't need to do anything. You will stay in UnitedHealthcare® Group Medicare Advantage (PPO).
- Members enrolled in our plan through a plan sponsor can make plan changes at times designated by your plan sponsor.
- You should consult with your plan sponsor regarding the availability of other “employer-sponsored” coverage before you enroll in a plan not offered by your plan sponsor, or before ending your membership in our plan outside of your plan sponsor’s open enrollment period. It is important to understand your plan sponsor’s eligibility policies, and the possible impact to your retiree health care coverage options and other retirement benefits before submitting a request to enroll in a plan not offered by your plan sponsor, or a request to end your membership in our plan.

**Section 1 Changes to Benefits and Costs for Next Plan Year**

**Section 1.1 Changes to the Monthly Premium**

Your plan sponsor will notify you of any changes to your plan premium amount, if applicable.

**Section 1.2 Changes to Your Maximum Out-of-Pocket Amounts**

Cost	2023 (this plan year)	2024 (next plan year)
<p><b>Combined maximum out-of-pocket amount</b></p> <p>Your costs for covered medical services (such as copays and deductibles) from in-network and out-of-network providers count toward your combined maximum out-of-pocket amount. Your plan premium and costs for prescription drugs do not count toward your maximum out-of-pocket amount for medical services.</p>	<p>\$1,500</p> <p>Once you have paid \$1,500 out-of-pocket for covered Part A and Part B services, you will pay nothing for your covered Part A and Part B services from in-network or out-of-network providers for the rest of the plan year.</p>	<p>\$1,500</p> <p>Once you have paid \$1,500 out-of-pocket for covered Part A and Part B services, you will pay nothing for your covered Part A and Part B services from in-network or out-of-network providers for the rest of the plan year.</p>

Medicare requires all health plans to limit how much you pay “out-of-pocket” for the year. These limits are called the “maximum out-of-pocket amounts.” Once you reach this amount, you generally pay nothing for covered Part A and Part B services for the rest of the plan year.

**Section 1.3 Changes to the Provider and Pharmacy Networks**

Updated directories are located on our website at [retiree.uhc.com](http://retiree.uhc.com). You may also call Customer Service for updated provider and/or pharmacy information or to ask us to mail you a directory, which we will mail within three business days.

There are changes to our network of providers for next plan year. **Please review the 2024 Provider Directory to see if your providers (primary care provider, specialists, hospitals, etc.) are in our network.** Because you are a member of the UnitedHealthcare Group Medicare Advantage (PPO) plan, **you can see any provider (network or out-of-network) at the same cost share, as long as they accept the plan and have not opted out of or been excluded or precluded from the Medicare Program.**

There are changes to our network of pharmacies for next plan year. **Please review the 2024 Pharmacy Directory to see which pharmacies are in our network.**

It is important that you know that we may make changes to the hospitals, doctors and specialists (providers), and pharmacies that are part of your plan during the plan year. If a mid-year change in our providers affects you, please contact Customer Service so we may assist.

## Section 1.4 Changes to Benefits and Costs for Medical Services

We are making changes to costs and benefits for certain medical services next year. The information below describes these changes.

Cost	2023 (this plan year)	2024 (next plan year)
<b>Plan year benefits</b>	The plan's coverage begins January 1, 2023.	The plan's coverage begins January 1, 2024.  Please see your Evidence of Coverage for information on benefits and costs for medical services.

## Section 1.5 Changes to Part D Prescription Drug Coverage

### Changes to Our Drug List

Our list of covered drugs is called a Formulary or “Drug List.” **You can get the complete Drug List** by calling Customer Service (1-800-457-8506) or visiting our website ([retiree.uhc.com](https://retiree.uhc.com)) to look up which drugs will be covered by your plan.

We made changes to our Drug List, which could include removing or adding drugs, changing the restrictions that apply to our coverage for certain drugs or moving them to a different cost-sharing tier. **Review the Drug List to make sure your drugs will be covered next plan year and to see if there will be any restrictions, or if your drug has been moved to a different cost-sharing tier.**

Most of the changes in the Drug List are new for the beginning of each year. However, during the year, we might make other changes that are allowed by Medicare rules. For instance, we can immediately remove drugs considered unsafe by the FDA or withdrawn from the market by a product manufacturer. We update our online Drug List to provide the most up to date list of drugs.

If you are affected by a change in drug coverage at the beginning of the year or during the year, please review Chapter 9 of your Evidence of Coverage and talk to your doctor to find out your options, such as asking for a temporary supply, applying for an exception and/or working to find a new drug. You can also contact Customer Service for more information.

### Changes to Prescription Drug Costs

**Note:** If you are in a program that helps pay for your drugs (“Extra Help”), **the information about costs for Part D prescription drugs may not apply to you.** We sent you a separate insert, called the “Evidence of Coverage Rider for People Who Get Extra Help Paying for Prescription Drugs” (also called the “Low Income Subsidy Rider” or the “LIS Rider”), which tells you about your drug costs. If you receive “Extra Help” you will receive a “LIS Rider.” If you don’t receive it, please call Customer Service and ask for the "LIS Rider" to be sent to you.

There are four “drug payment stages.”

The information below shows the changes for next year to the first two stages – the Yearly Deductible Stage and the Initial Coverage Stage. (Most members do not reach the other two stages – the Coverage Gap Stage or the Catastrophic Coverage Stage.)

### Changes to the Deductible Stage

Stage	2023 (this plan year)	2024 (next plan year)
<b>Stage 1: Yearly (Part D) Deductible stage</b>	Because we have no deductible, this payment stage does not apply to you.	Because we have no deductible, this payment stage does not apply to you.

### Changes to Your Cost-sharing in the Initial Coverage Stage

Your cost-sharing in the Initial Coverage Stage may be changing from a copayment to coinsurance or a coinsurance to copayment. Please see the following chart for the changes from 2023 to 2024.

Stage	2023 (this plan year)	2024 (next plan year)
<p><b>Stage 2: Initial Coverage stage</b>                      During this stage, the plan pays its share of the cost of your drugs and <b>you pay your share of the cost.</b> Your cost-sharing in the initial coverage stage may be changing from a copayment to coinsurance or a coinsurance to copayment. Please see the columns to the right for the changes from 2023 to 2024.</p>	<p>Your cost for a one-month supply filled at a network pharmacy with standard cost-sharing:</p> <p><b>Tier 1 - Preferred Generic:</b>                      You pay \$10 per prescription.</p> <p><b>Tier 2 - Preferred Brand<sup>1</sup>:</b></p>	<p>Your cost for a one-month supply filled at a network pharmacy with standard cost-sharing:</p> <p><b>Tier 1 - Preferred Generic:</b>                      You pay \$10 per prescription.</p> <p><b>Tier 2 - Preferred Brand<sup>1</sup>:</b></p>

Stage	2023 (this plan year)	2024 (next plan year)
<p>Most adult Part D vaccines are covered at no cost to you.</p> <p>The costs in this row are for a one-month (30-day) supply when you fill your prescription at a network pharmacy that provides standard cost-sharing.</p> <p>For information about the costs for mail-order prescriptions, look in Chapter 6, Section 5 of your <b>Evidence of Coverage</b>.</p> <p>We changed the tier for some of the drugs on our Drug List. <sup>1</sup> You will pay a maximum of \$35 for a 1-month supply of each Part D insulin product covered by our plan.

**Changes to the Coverage Gap and Catastrophic Coverage stages**

The other two drug coverage stages – the Coverage Gap stage and the Catastrophic Coverage stage – are for people with high drug costs. **Most members do not reach the Coverage Gap stage or the Catastrophic Coverage stage.**

Beginning in 2024, if you reach the Catastrophic Coverage stage, you pay nothing for covered drugs.

For specific information about your costs in these stages, look at Chapter 6, Sections 6 and 7, in your **Evidence of Coverage**.

**Section 2 Deciding Which Plan to Choose**

**Section 2.1 If You Want to Stay in UnitedHealthcare® Group Medicare Advantage (PPO)**

**To stay in our plan, you don’t need to do anything.** If you do not sign up for a different plan or change to Original Medicare, you will automatically be enrolled in our UnitedHealthcare® Group Medicare Advantage (PPO).

**Important Note:** You may join or leave a plan only at certain times designated by your plan sponsor. If you choose to enroll in a Medicare health plan or Medicare prescription drug plan that is not offered by your plan sponsor, you may lose the option to enroll in a plan offered by your plan sponsor in the future. You could also lose coverage for other retirement benefits you may currently have through your plan sponsor. Once enrolled in our plan, if you choose to end your membership outside of your plan sponsor’s open enrollment period, re-enrollment in any plan your plan sponsor offers may not be permitted, or you may have to wait until their next open enrollment period.

your Medicare plan choices and answer questions about switching plans. You can find your SHIP number and address in Chapter 2, Section 3 of the **Evidence of Coverage**.

Individuals must meet certain criteria, including proof of state residence and HIV status, low income as defined by the state, and uninsured/under-insured status. Medicare Part D prescription drugs that are also covered by ADAP qualify for prescription cost-sharing assistance through the ADAP in your state.
