### Participant Invitation

The program provides participants with opportunities to learn about inquiries and practices that connect teaching and curriculum with student learning and success via multiple session types and to interact virtually with participants. You are welcome to participate based on your interests and as your schedule permits.

The University of Southern Indiana embraces and celebrates the many differences that exist among the members of a dynamic, intellectual and inclusive community, and strives to maintain an environment that respects differences and provides a sense of belonging and inclusion for everyone. We invite all participants to help foster a welcoming, supportive, and productive virtual environment that honors all backgrounds and experiences and respects all perspectives in teaching and learning.
