INDIANA CHILD WELFARE SCHOLARS PROGRAM
INSTRUCTIONS FOR FILING A PETITION FOR EXCEPTIONAL
CONSIDERATION

An applicant who believes that his or her individual circumstances warrants exceptional consideration for a waiver of the minimum admissions requirement of an overall 2.5 undergraduate GPA and a 3.0 GPA in social work must petition the Indiana Child Services Admissions Committee.

The waiver should be requested by the applicant in the form of a statement entitled “Petition for Exceptional Consideration” and should be attached to this cover letter, which must be signed and dated at the bottom.

The petition should include a statement indicating how the minimum admissions requirement does not provide you a fair and adequate opportunity to present yourself in a favorable light. Briefly discuss how you have demonstrated a capacity for success in the Indiana Child Welfare Scholars Program. For example, if unusual personal circumstances negatively impacted your grades, discuss why this is not likely to be a factor during the course of your participation in the Indiana Child Services Education Program. Finally, you should attest to the accuracy of all information provided in the petition, date and sign the document. The petition must be submitted with the application packet.

INDIANA CHILD WELFARE SCHOLARS PROGRAM
CRIMINAL HISTORY AND BACKGROUND CHECK

Your successful completion of this program, in addition to meeting all other hiring requirements of the agency, will entitle you to consideration for employment with the Indiana Department of Child Services. In order to ensure that you will be a viable candidate for employment, the application process for the Indiana Child Welfare Scholars Program requires you to complete both a Request for a Child Protection Services (CPS) History Check and Criminal History check that includes fingerprinting. These checks will be completed at a later step in the application and interviewing process.

I agree to complete a criminal history check as required by the Department of Child Services. If selected for this program I will comply with the process of submitting my fingerprints for an FBI check through the electronic fingerprinting process used by the Department of Child Services.

I understand that a CPS background check will also be completed for me if I am accepted into this program and that I will be required to sign a release.

I further understand that, upon receipt of the results of the criminal history and CPS background check, I may be disqualified from the Indiana Child Welfare Scholars Program. I also understand that I may request a review of my disqualification by the Department of Child Services. The results of this review will be final.

I am also aware that I will be subject to additional background checks at the time of hire, based on current agency and state standards.

JOB DESCRIPTION
State Form 52468 (12-05)

This document is used to provide a basic description of essential duties and other work elements.

Employee Name:	
Agency: Indiana Department of Child Services	BU: 00502
Division: Field Operations	Section/District: Local Office
Job Title: Family Case Manager 2	Job Code: 002AP2
Working Title (if different from above):	
Reports To: Family Case Manager Supervisor -or- Local Office Director	
FLSA Status: <input checked="" type="checkbox"/> Non-Exempt (OT Eligible) <input type="checkbox"/> Exempt	Effective Date: May 2017

Purpose of Position/Summary:

The incumbent works as a Child Services Family Case Manager within a Local County Office of the Department of Child Services (DCS). The purpose of the position is to protect children from abuse and neglect and either maintain or reunify families whenever possible and, when in the best interest of the child, to achieve a permanent home or independent living for children unable to be reunited with their families in a timely manner. This role is expected to engage clients, staff, community partners and others in a manner consistent with the agency practice model grounded in standards of genuineness, empathy, respect and professionalism while fostering a positive workplace culture and climate. The incumbent reports to either a Family Case Manager Supervisor 4 in the larger counties or to the County DCS Director in smaller counties.

Essential Duties/Responsibilities:

- Investigates reported incidents of child abuse, neglect or dependency, makes determination of whether or not the incident is substantiated and develops recommendations to a Juvenile Court or County Director for disposition.
- Assesses safety and level of risk to the child for additional injury or harm, including whether the child is in imminent danger, and may remove the child from the family as the situation warrants; ensures child is placed in a protected environment.
- Evaluates the protective factors of the caregivers to assist in assessing safety risks to the child when returning home and/or staying within their own home.
- Performs needs assessments to determine treatment options for families and children evaluated to be abused/neglected or referred by law enforcement, other social service agencies or schools as a possible child in need of services (CHINS).
- Testifies in either a Juvenile or Criminal Court of Law concerning the needs of the families and children that are assigned to the incumbent’s caseload, the families’ ability to remedy the abusive/neglectful situation, or concerning alleged criminal activities of a parent or other perpetrator.
- Makes recommendations to the court for the return of children to their families, following assessment of safety or risk to the child throughout the life of the case.
- Prepares pre-dispositional, dispositional and progress reports to the courts, Intake Officers Report of Preliminary Inquiry and Investigation, permanency reports, maintains case files and develops briefing reports for the community child protection team, in-office case staffings or external provider staffings.
- Develops “informal adjustment” plans with families and children in their home to divert children from the juvenile justice system and meet the “least intrusive intervention” standard.
- Develops case plans collaboratively with families to assist them in becoming more self-sufficient in a safe and nurturing environment and to ensure a permanent home for the

- child. This plan must be developed in a manner that recognizes unique needs and the diverse backgrounds of the children and their families. Revises case plan as needed to meet the dynamic needs of the child and family.
- Monitors treatment plans of contractual service providers to determine if they are consistent with the case plan.
 - Develops discharge/transition programming to assist families and children to attain and maintain self-sufficiency in a safe environment.
 - Assesses the service capability of residential treatment programs and providers to ensure that they meet the needs of children and their families.
 - Accepts on-call responsibility periodically to receive and investigate allegations of child abuse/neglect.
 - Coordinates local service delivery for a family or children to assist them towards the establishment of a safe and stable home for children. Facilitates team meetings with the child and family along with their identified natural and formal supports to direct case planning.
 - Counsels families regarding the social needs and skills of families and children.
 - Conducts home studies, family histories and recommends placement for adoption to an adoption team and assumes lead role in decision making regarding the family to be selected to adopt the child.
 - Visits children in out-of-home placements to coordinate family reunification, adoption or independent living efforts.
 - Maintains data which provides management an opportunity to evaluate family and children needs on a trend analysis basis.
 - Performs related duties as assigned.

Core Competencies:

- **Problem Solving & Decision** - Recognizes and defines problems; thoroughly obtains and analyzes facts; takes immediate corrective action; uses resources and techniques to develop sound solutions while foreseeing possible consequences. Works with families, community partners, and other essential individuals to develop the course of action and activities that will best address the immediate and long term safety, well-being and permanency needs of the child. Demonstrates the ability to utilize the information provided by all partners involved to structure an organized approach to addressing family needs.
- **Communication & Engagement** – Establishes effective working relationships with co-workers, clients and/or the public; gets along well with others. Demonstrates the ability to establish positive and trust-based working relationships with family members and other essential individuals, including those who are difficult to reach, for the purpose of sustaining better outcomes for families. Demonstrates respect, interest, concern, and cultural sensitivity. Comprehends oral and written information, and clearly and effectively expresses self in the presentation of ideas; develops written work in a logical and comprehensive manner where appropriate.
- **Judgment/Assessment/Confidentiality** - Exercises logical thinking and foresees consequences of actions; has adequate knowledge of all applicable policies or rules and selects appropriate guidelines or procedures to follow in a variety of situations. Demonstrates the ability to thoroughly, accurately and timely identify the strengths, underlying needs, protective factors and risks of children and families. Ensures clear, consistent, and timely communication with essential individuals to ensure child and family needs are appropriately identified and effectively addressed. Can be trusted to use discretion in dealing with customers and fellow employees; maintains confidentiality of information or materials appropriate to position.
- **Adaptability/Flexibility/Composure** – Adapts readily to new situations and changes in the workplace; works well under pressure; learns and functions well under widely different situations and circumstances. Works well under pressure; responds

appropriately to stressful/emergency situations; approaches tasks with patience and firmness; is consistent in behavior.

- **Planning & Organizing** - Establishes priorities and work sequences to coordinate efforts, maintain work flow and meet deadlines; ensures sufficient functioning through smooth interface with related processes.

Preferred Experience:

- Thorough knowledge of state and/or federal laws, regulations, guidelines and standards affecting child protection services, foster care, family preservation and adoption.
- Thorough knowledge of related social services programs and ability to coordinate work among programs. Must be able to bring service providers to consensus in order to provide services and make recommendations to the court.
- Specialized knowledge of the interrelationships of the various behavioral sciences as they affect care and treatment of patients/clients and/or objectives of social work projects.
- Working knowledge of computers and the operation of software programs.
- Ability to investigate and interview alleged victims and perpetrators of child abuse or neglect in an appropriate and effective manner.
- Ability to formulate and monitor project guidelines or treatment plans.
- Ability to prepare clear, accurate reports.
- Ability to communicate articulately for court testimony.
- Ability to work with families of diverse cultural/ethnic backgrounds with sensitivity to differences in child rearing practices, relationships and needs.
- Ability to work with children with special needs such as mental or emotional conditions, the foster families or the home willing to accept those children and the professionals who can appropriately provide services to them.
- Ability to exercise sound judgment while managing crises situations including those involving confrontational, aggressive adults being investigated for child abuse or neglect.
- Ability to manage multiple priorities, many of a life threatening nature to ensure safety of families and children.
- Ability to meet established deadlines for work activities and products.
- Required to possess and maintain a valid drivers' license, independent reliable automobile and appropriate automobile insurance coverage at all times.
- The Indiana Department of Child Services is a drug free workplace. Candidates are subject to pre-employment and random drug/alcohol testing.

Training Requirements: This position requires the incumbent to complete a mandatory twelve (12) week training session. The training session will consist of classroom based modules and transfer of learning modules. Classroom instruction will occur in Indianapolis, Indiana and transfer of learning will occur in the local county office. Family Case Managers must complete minimally 24 hours of training per calendar year.

Supervisory Responsibilities/Direct Reports:

N/A

Difficulty of Work:

Work involves the application of accepted professional standards and methodology to such activities as the diagnosis of needs, development of treatment plans and/or the interpretation of project standards and review for compliance with guidelines. Work is broad in scope due to the integration of other disciplines into overall work objectives. Judgment is exercised in the diagnostic and treatment plan formulation and interpretation of project guidelines. The incumbent uses knowledge of Child Welfare and Juvenile Code guidelines to investigate allegations of child abuse, neglect or sexual abuse and is called upon to make decisions of significant and immediate consequence to the child and family. The incumbent may be called upon to enter a hostile and potentially harmful environment. Decisions must often be made quickly with little or no opportunity for consultation.

Responsibility:

The incumbent is responsible for implementing an effective social services treatment program for families and children and to ensure the completion of the program. The involvement of the incumbent has direct consequence in the success of family maintenance or reunification, as well as the personal safety of family members.

The incumbent must often function independently regarding decisions about a child's welfare. Informal adjustment and reunification plans are reviewed by the supervisor for soundness of judgment to determine that the needs of the child and family are being met and to ensure the safety of the child. Reports and recommendations to the court are reviewed for legal accuracy and to maintain consensus in the best interests of the child and family. Instruction is provided when new or significant program changes occur or when requested due to difficulty of the case or legal ramifications. Critical decisions must be made in the field concerning the welfare of the child which is normally reviewed after the fact. The consequence of error can be the severe injury or death of the child. Errors can result in liability to the agency.

Personal Work Relationships:

Contacts are with families and their children, all areas of the community including law enforcement, judiciary, elected officials, medical personnel, schools, correctional and social service agencies and the institutional/residential staff. The purpose of the contact is to provide services to ensure the safety of the children and their families, to provide productive foster placements when necessary, to give families an opportunity for safe positive reunification and to make recommendations to officers of the court.

Physical Effort:

This position performs duties in field and office environments. Field work requires the ability to traverse uneven ground and dilapidated properties, climb stairs, and maneuver within small spaces. Office environment work requires sitting for extended periods of time and sufficient manual dexterity which permits operation of standard office equipment, including a personal computer and telephone. Incumbent must be able to operate a motor vehicle and drive short and long distances in all weather and light conditions. Must be able to lift, carry and care for children. Incumbent must be able to communicate effectively with children, parents, judges, law enforcement, service providers and other community members.

Working Conditions:

Working conditions may include exposure to adverse weather conditions and unfavorable health and safety conditions such as pets, rodents, insects, unclean environments, foul smells, animal waste, drug paraphernalia, and hostile and/or threatening individuals. Incumbent must be able to work in a high stress environment, including heavy workloads and time constraints. Incumbent is required to use his or her personal vehicle for work-related travel and transportation of children. Required to work over the "normal" schedule, including being on-call at certain times requiring availability of 24 hours/day. When "on call", there is a mandatory response time of one hour or less from the time you are notified of a call. The incumbent may be required to work from more than one location during a given work week which may include travel within a specified region. May be required to fly to other states with possible overnight stays.
