The Harolyn Torain Multicultural Leadership Scholarship (MLS) targets talented, high-ability students with demonstrated multicultural leadership experiences during their high school careers.

Value: \$5,000 per year for potential value of up to \$20,000. In addition, this scholarship provides a net tuition payment equal to the Indiana resident tuition rate for non-resident students. The MLS will supersede any scholarship awarded through the admissions process at USI, including, but not limited to: David L Rice, Illinois Regional Award, Kentucky Regional Award, Deans Scholarship, Provost Scholarship, etc.

Number available: USI will award a maximum of 20 annual scholarships.

Application: Applicants may apply online at <https://www.usi.edu/multicultural-leadership-scholarship/>. The application deadline is December 1.

Selection criteria: New first-time freshmen must have a 3.0 cumulative grade point average on a 4.0 scale at the end of the sixth semester of high school. Applicants must have demonstrated leadership in multicultural school or community activities or organizations. Entering freshmen must be admissible to USI.

The Multicultural Leadership Scholarship Selection Committee will review each application and determine which candidates will be invited to participate in campus interviews. All interviews will convene on the University of Southern Indiana campus. Recipients will be notified following the interview.

Renewal criteria: The scholarship may be renewed automatically if the student successfully completes 24 USI credit hours each academic year (fall/spring) and earns a 2.50 cumulative USI grade point average. Recipients must maintain satisfactory participation in the Inclusive Excellence Program. The Office of Student Financial Assistance will evaluate earned hours after the spring semester. Students may make up deficits in earned hours in summer at in-state rates. Courses used to make up deficits in earned hours must be taken at USI.

Additional information:

- 1) Renewable for up to 3 consecutive years or until first undergraduate degree is completed whichever comes first.
- 2) Award recipients must enroll as full-time students during the fall and each successive regular semester following award notification. Exceptions are made to permit December high school graduates to begin University enrollment in the spring semester. A full-time student is defined as one who enrolls in at least 12 credit hours each fall/spring semester. Official enrollment is determined on financial aid census day (5th day of fall/spring). Failure to comply with these requirements nullifies the award and all future entitlement. Under exceptional circumstances, a student may petition the Director of Student Financial Assistance for a "leave of absence" for one semester and an extension of calendar year limits or an exception to the minimum enrollment requirement (only for documented medical or academic reasons).
- 3) Non-Indiana award recipients may utilize the *tuition fee waiver portion* of this scholarship to receive Indiana state rates for summer, if GPA requirements are met in prior fall/spring semesters. No minimum enrollment is required for summer.
- 4) Acceptance of this award offer is valid only during the fall semester (mid-year high school graduates may be eligible the following fall term) of the year in which the award is made.
- 5) Award recipients are required to live on-campus for the first academic year. After the first year there are no residential requirements. Exceptions are made for students that are living at home with their parents/guardians and reside within commuting distance.
- 6) All participating students must maintain good standing at USI. Students who are dismissed from the University, for any reason, forfeit all entitlement to this scholarship.
- 7) Appeals Process: Students may request exceptions to these regulations when unusual or mitigating circumstances warrant such action. Appeals must be submitted in writing to the Student Financial Assistance Appeals Committee at

USI. Send all correspondence to the Office of Student Financial Assistance, University of Southern Indiana, 8600 University Boulevard, Evansville, IN 47712. Decisions of the Appeals Committee are final.

- 8) Award recipients who meet bachelor's degree requirements in less than four years, meet all renewal criteria and have been admitted to a USI graduate program may apply to receive this scholarship for an additional one year for USI graduate coursework (unless they receive a graduate assistantship).

Awards are subject to approval based on availability of funding. No cash refunds are made to students from the Multicultural Leadership Scholarship.
