¹A student can withdraw from a CAP course, with no impact on the USI transcript, by emailing cap@usi.edu by the date listed in this column. The dropped course will not appear on the official USI transcript, and the attempted credit hours will not count against a student's total number of credit hours at USI.

After the deadline for no-consequence drops has passed, a student must sign paperwork provided by the CAP Office. Visit usi.edu/cap/drop to initiate a drop request.

²WITHOUT evaluation means a student will receive a 'W' (Withdrawal) on the USI transcript, and the attempted hours will count against a student's total number of credit hours earned at USI.

³WITH evaluation means a student will receive a 'W' if passing the course at the time of withdrawal. If failing, the student may receive an 'F' at the discretion of the CAP Instructor. The attempted hours will count against a student's total number of credit hours earned at USI.

The last day to drop with evaluation is the Friday before the week the CAP course's final exam/project is given or is due.
